| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| T505X4A    | Poisoning by appetite depressants, undetermined, initial encounter  | 98. other                      |
| T505X4D    | Poisoning by appetite depressants, undetermined, subsequent encounter                                     | 98. other                      |
| T505X4S    | Poisoning by appetite depressants, undetermined, sequela  | 98. other                      |
| T505X5A    | Adverse effect of appetite depressants, initial encounter   | 98. other                      |
| T505X5D    | Adverse effect of appetite depressants, subsequent encounter  | 98. other                      |
| T505X5S    | Adverse effect of appetite depressants, sequela   | 98. other                      |
| T505X6A    | Underdosing of appetite depressants, initial encounter  | 98. other                      |
| T505X6D    | Underdosing of appetite depressants, subsequent encounter   | 98. other                      |
| T505X6S    | Underdosing of appetite depressants, sequela  | 98. other                      |
| T506X1A    | Poisoning by antidotes and chelating agents, accidental (unintentional), initial encounter                | 98. other                      |
| T506X1D    | Poisoning by antidotes and chelating agents, accidental (unintentional), subsequent encounter             | 98. other                      |
| T506X1S    | Poisoning by antidotes and chelating agents, accidental (unintentional), sequela                          | 98. other                      |
| T506X2A    | Poisoning by antidotes and chelating agents, intentional self-harm, initial encounter                     | 98. other                      |
| T506X2D    | Poisoning by antidotes and chelating agents, intentional self-harm, subsequent encounter                  | 98. other                      |
| T506X2S    | Poisoning by antidotes and chelating agents, intentional self-harm, sequela                               | 98. other                      |
| T506X3A    | Poisoning by antidotes and chelating agents, assault, initial encounter                                   | 98. other                      |
| T506X3D    | Poisoning by antidotes and chelating agents, assault, subsequent encounter                                | 98. other                      |
| T506X3S    | Poisoning by antidotes and chelating agents, assault, sequela   | 98. other                      |
| T506X4A    | Poisoning by antidotes and chelating agents, undetermined, initial encounter                              | 98. other                      |
| T506X4D    | Poisoning by antidotes and chelating agents, undetermined, subsequent encounter                           | 98. other                      |
| T506X4S    | Poisoning by antidotes and chelating agents, undetermined, sequela  | 98. other                      |
| T506X5A    | Adverse effect of antidotes and chelating agents, initial encounter                                       | 98. other                      |
| T506X5D    | Adverse effect of antidotes and chelating agents, subsequent encounter                                    | 98. other                      |
| T506X5S    | Adverse effect of antidotes and chelating agents, sequela   | 98. other                      |
| T506X6A    | Underdosing of antidotes and chelating agents, initial encounter  | 98. other                      |
| T506X6D    | Underdosing of antidotes and chelating agents, subsequent encounter                                       | 98. other                      |
| T506X6S    | Underdosing of antidotes and chelating agents, sequela  | 98. other                      |
| T507X1A    | Poisoning by analeptics and opioid receptor antagonists, accidental (unintentional), initial encounter    | 98. other                      |
| T507X1D    | Poisoning by analeptics and opioid receptor antagonists, accidental (unintentional), subsequent encounter | 98. other                      |
| T507X1S    | Poisoning by analeptics and opioid receptor antagonists, accidental (unintentional), sequela              | 98. other                      |
| T507X2A    | Poisoning by analeptics and opioid receptor antagonists, intentional self-harm, initial encounter         | 98. other                      |
| T507X2D    | Poisoning by analeptics and opioid receptor antagonists, intentional self-harm, subsequent encounter      | 98. other                      |
| T507X2S    | Poisoning by analeptics and opioid receptor antagonists, intentional self-harm, sequela                   | 98. other                      |
| T507X3A    | Poisoning by analeptics and opioid receptor antagonists, assault, initial encounter                       | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| T507X3D    | Poisoning by analeptics and opioid receptor antagonists, assault, subsequent encounter  | 98. other                      |
| T507X3S    | Poisoning by analeptics and opioid receptor antagonists, assault, sequela   | 98. other                      |
| T507X4A    | Poisoning by analeptics and opioid receptor antagonists, undetermined, initial encounter  | 98. other                      |
| T507X4D    | Poisoning by analeptics and opioid receptor antagonists, undetermined, subsequent encounter   | 98. other                      |
| T507X4S    | Poisoning by analeptics and opioid receptor antagonists, undetermined, sequela  | 98. other                      |
| T507X5A    | Adverse effect of analeptics and opioid receptor antagonists, initial encounter   | 98. other                      |
| T507X5D    | Adverse effect of analeptics and opioid receptor antagonists, subsequent encounter  | 98. other                      |
| T507X5S    | Adverse effect of analeptics and opioid receptor antagonists, sequela   | 98. other                      |
| T507X6A    | Underdosing of analeptics and opioid receptor antagonists, initial encounter  | 98. other                      |
| T507X6D    | Underdosing of analeptics and opioid receptor antagonists, subsequent encounter   | 98. other                      |
| T507X6S    | Underdosing of analeptics and opioid receptor antagonists, sequela  | 98. other                      |
| T508X1A    | Poisoning by diagnostic agents, accidental (unintentional), initial encounter   | 98. other                      |
| T508X1D    | Poisoning by diagnostic agents, accidental (unintentional), subsequent encounter  | 98. other                      |
| T508X1S    | Poisoning by diagnostic agents, accidental (unintentional), sequela   | 98. other                      |
| T508X2A    | Poisoning by diagnostic agents, intentional self-harm, initial encounter  | 98. other                      |
| T508X2D    | Poisoning by diagnostic agents, intentional self-harm, subsequent encounter   | 98. other                      |
| T508X2S    | Poisoning by diagnostic agents, intentional self-harm, sequela  | 98. other                      |
| T508X3A    | Poisoning by diagnostic agents, assault, initial encounter  | 98. other                      |
| T508X3D    | Poisoning by diagnostic agents, assault, subsequent encounter   | 98. other                      |
| T508X3S    | Poisoning by diagnostic agents, assault, sequela  | 98. other                      |
| T508X4A    | Poisoning by diagnostic agents, undetermined, initial encounter   | 98. other                      |
| T508X4D    | Poisoning by diagnostic agents, undetermined, subsequent encounter  | 98. other                      |
| T508X4S    | Poisoning by diagnostic agents, undetermined, sequela   | 98. other                      |
| T508X5A    | Adverse effect of diagnostic agents, initial encounter  | 98. other                      |
| T508X5D    | Adverse effect of diagnostic agents, subsequent encounter   | 98. other                      |
| T508X5S    | Adverse effect of diagnostic agents, sequela  | 98. other                      |
| T508X6A    | Underdosing of diagnostic agents, initial encounter   | 98. other                      |
| T508X6D    | Underdosing of diagnostic agents, subsequent encounter  | 98. other                      |
| T508X6S    | Underdosing of diagnostic agents, sequela   | 98. other                      |
| T50A11A    | Poisoning by pertussis vaccine, including combinations with a pertussis component, accidental (unintentional), initial encounter    | 98. other                      |
| T50A11D    | Poisoning by pertussis vaccine, including combinations with a pertussis component, accidental (unintentional), subsequent encounter | 98. other                      |
| T50A11S    | Poisoning by pertussis vaccine, including combinations with a pertussis component, accidental (unintentional), sequela              | 98. other                      |
| T50A12A    | Poisoning by pertussis vaccine, including combinations with a pertussis component, intentional self-harm, initial encounter         | 98. other                      |
| T50A12D    | Poisoning by pertussis vaccine, including combinations with a pertussis component, intentional self-harm, subsequent encounter      | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| T50A12S    | Poisoning by pertussis vaccine, including combinations with a pertussis component, intentional self-harm, sequela     | 98. other                      |
| T50A13A    | Poisoning by pertussis vaccine, including combinations with a pertussis component, assault, initial encounter         | 98. other                      |
| T50A13D    | Poisoning by pertussis vaccine, including combinations with a pertussis component, assault, subsequent encounter      | 98. other                      |
| T50A13S    | Poisoning by pertussis vaccine, including combinations with a pertussis component, assault, sequela                   | 98. other                      |
| T50A14A    | Poisoning by pertussis vaccine, including combinations with a pertussis component, undetermined, initial encounter    | 98. other                      |
| T50A14D    | Poisoning by pertussis vaccine, including combinations with a pertussis component, undetermined, subsequent encounter | 98. other                      |
| T50A14S    | Poisoning by pertussis vaccine, including combinations with a pertussis component, undetermined, sequela              | 98. other                      |
| T50A15A    | Adverse effect of pertussis vaccine, including combinations with a pertussis component, initial encounter             | 98. other                      |
| T50A15D    | Adverse effect of pertussis vaccine, including combinations with a pertussis component, subsequent encounter          | 98. other                      |
| T50A15S    | Adverse effect of pertussis vaccine, including combinations with a pertussis component, sequela                       | 98. other                      |
| T50A16A    | Underdosing of pertussis vaccine, including combinations with a pertussis component, initial encounter                | 98. other                      |
| T50A16D    | Underdosing of pertussis vaccine, including combinations with a pertussis component, subsequent encounter             | 98. other                      |
| T50A16S    | Underdosing of pertussis vaccine, including combinations with a pertussis component, sequela                          | 98. other                      |
| T50A21A    | Poisoning by mixed bacterial vaccines without a pertussis component, accidental (unintentional), initial encounter    | 98. other                      |
| T50A21D    | Poisoning by mixed bacterial vaccines without a pertussis component, accidental (unintentional), subsequent encounter | 98. other                      |
| T50A21S    | Poisoning by mixed bacterial vaccines without a pertussis component, accidental (unintentional), sequela              | 98. other                      |
| T50A22A    | Poisoning by mixed bacterial vaccines without a pertussis component, intentional self-harm, initial encounter         | 98. other                      |
| T50A22D    | Poisoning by mixed bacterial vaccines without a pertussis component, intentional self-harm, subsequent encounter      | 98. other                      |
| T50A22S    | Poisoning by mixed bacterial vaccines without a pertussis component, intentional self-harm, sequela                   | 98. other                      |
| T50A23A    | Poisoning by mixed bacterial vaccines without a pertussis component, assault, initial encounter                       | 98. other                      |
| T50A23D    | Poisoning by mixed bacterial vaccines without a pertussis component, assault, subsequent encounter                    | 98. other                      |
| T50A23S    | Poisoning by mixed bacterial vaccines without a pertussis component, assault, sequela                                 | 98. other                      |
| T50A24A    | Poisoning by mixed bacterial vaccines without a pertussis component, undetermined, initial encounter                  | 98. other                      |
| T50A24D    | Poisoning by mixed bacterial vaccines without a pertussis component, undetermined, subsequent encounter               | 98. other                      |
| T50A24S    | Poisoning by mixed bacterial vaccines without a pertussis component, undetermined, sequela                            | 98. other                      |

| T81521D    | Obstruction due to foreign body accidentally left in body following infusion or transfusion, subsequent encounter                       | 98. other                      |
| T81521S    | Obstruction due to foreign body accidentally left in body following infusion or transfusion, sequela                                    | 98. other                      |
| T81522A    | Obstruction due to foreign body accidentally left in body following kidney dialysis, initial encounter                                  | 98. other                      |
| T81522D    | Obstruction due to foreign body accidentally left in body following kidney dialysis, subsequent encounter                               | 98. other                      |
| T81522S    | Obstruction due to foreign body accidentally left in body following kidney dialysis, sequela  | 98. other                      |
| T81523A    | Obstruction due to foreign body accidentally left in body following injection or immunization, initial encounter                        | 98. other                      |
| T81523D    | Obstruction due to foreign body accidentally left in body following injection or immunization, subsequent encounter                     | 98. other                      |
| T81523S    | Obstruction due to foreign body accidentally left in body following injection or immunization, sequela                                  | 98. other                      |
| T81524A    | Obstruction due to foreign body accidentally left in body following endoscopic examination, initial encounter                           | 98. other                      |
| T81524D    | Obstruction due to foreign body accidentally left in body following endoscopic examination, subsequent encounter                        | 98. other                      |
| T81524S    | Obstruction due to foreign body accidentally left in body following endoscopic examination, sequela                                     | 98. other                      |
| T81525A    | Obstruction due to foreign body accidentally left in body following heart catheterization, initial encounter                            | 98. other                      |
| T81525D    | Obstruction due to foreign body accidentally left in body following heart catheterization, subsequent encounter                         | 98. other                      |
| T81525S    | Obstruction due to foreign body accidentally left in body following heart catheterization, sequela                                      | 98. other                      |
| T81526A    | Obstruction due to foreign body accidentally left in body following aspiration, puncture or other catheterization, initial encounter    | 98. other                      |
| T81526D    | Obstruction due to foreign body accidentally left in body following aspiration, puncture or other catheterization, subsequent encounter | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| T81526S    | Obstruction due to foreign body accidentally left in body following aspiration, puncture or other catheterization, sequela | 98. other                      |
| T81527A    | Obstruction due to foreign body accidentally left in body following removal of catheter or packing, initial encounter      | 98. other                      |
| T81527D    | Obstruction due to foreign body accidentally left in body following removal of catheter or packing, subsequent encounter   | 98. other                      |
| T81527S    | Obstruction due to foreign body accidentally left in body following removal of catheter or packing, sequela                | 98. other                      |
| T81528A    | Obstruction due to foreign body accidentally left in body following other procedure, initial encounter                     | 98. other                      |
| T81528D    | Obstruction due to foreign body accidentally left in body following other procedure, subsequent encounter                  | 98. other                      |
| T81528S    | Obstruction due to foreign body accidentally left in body following other procedure, sequela                               | 98. other                      |
| T81529A    | Obstruction due to foreign body accidentally left in body following unspecified procedure, initial encounter               | 98. other                      |
| T81529D    | Obstruction due to foreign body accidentally left in body following unspecified procedure, subsequent encounter            | 98. other                      |
| T81529S    | Obstruction due to foreign body accidentally left in body following unspecified procedure, sequela                         | 98. other                      |
| T81530A    | Perforation due to foreign body accidentally left in body following surgical operation, initial encounter                  | 98. other                      |
| T81530D    | Perforation due to foreign body accidentally left in body following surgical operation, subsequent encounter               | 98. other                      |
| T81530S    | Perforation due to foreign body accidentally left in body following surgical operation, sequela                            | 98. other                      |
| T81531A    | Perforation due to foreign body accidentally left in body following infusion or transfusion, initial encounter             | 98. other                      |
| T81531D    | Perforation due to foreign body accidentally left in body following infusion or transfusion, subsequent encounter          | 98. other                      |
| T81531S    | Perforation due to foreign body accidentally left in body following infusion or transfusion, sequela                       | 98. other                      |
| T81532A    | Perforation due to foreign body accidentally left in body following kidney dialysis, initial encounter                     | 98. other                      |
| T81532D    | Perforation due to foreign body accidentally left in body following kidney dialysis, subsequent encounter                  | 98. other                      |
| T81532S    | Perforation due to foreign body accidentally left in body following kidney dialysis, sequela                               | 98. other                      |
| T81533A    | Perforation due to foreign body accidentally left in body following injection or immunization, initial encounter           | 98. other                      |
| T81533D    | Perforation due to foreign body accidentally left in body following injection or immunization, subsequent encounter        | 98. other                      |
| T81533S    | Perforation due to foreign body accidentally left in body following injection or immunization, sequela                     | 98. other                      |
| T81534A    | Perforation due to foreign body accidentally left in body following endoscopic examination, initial encounter              | 98. other                      |
| T81534D    | Perforation due to foreign body accidentally left in body following endoscopic examination, subsequent encounter           | 98. other                      |
| T81534S    | Perforation due to foreign body accidentally left in body following endoscopic examination, sequela                        | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| T81535A    | Perforation due to foreign body accidentally left in body following heart catheterization, initial encounter                            | 98. other                      |
| T81535D    | Perforation due to foreign body accidentally left in body following heart catheterization, subsequent encounter                         | 98. other                      |

| T8572XS    | Infection and inflammatory reaction due to insulin pump, sequela  | 98. other                      |
| T85730A    | Infection and inflammatory reaction due to ventricular intracranial (communicating) shunt, initial encounter                                | 98. other                      |
| T85730D    | Infection and inflammatory reaction due to ventricular intracranial (communicating) shunt, subsequent encounter                             | 98. other                      |
| T85730S    | Infection and inflammatory reaction due to ventricular intracranial (communicating) shunt, sequela  | 98. other                      |
| T85731A    | Infection and inflammatory reaction due to implanted electronic neurostimulator of brain, electrode (lead), initial encounter               | 98. other                      |
| T85731D    | Infection and inflammatory reaction due to implanted electronic neurostimulator of brain, electrode (lead), subsequent encounter            | 98. other                      |
| T85731S    | Infection and inflammatory reaction due to implanted electronic neurostimulator of brain, electrode (lead), sequela                         | 98. other                      |
| T85732A    | Infection and inflammatory reaction due to implanted electronic neurostimulator of peripheral nerve, electrode (lead), initial encounter    | 98. other                      |
| T85732D    | Infection and inflammatory reaction due to implanted electronic neurostimulator of peripheral nerve, electrode (lead), subsequent encounter | 98. other                      |
| T85732S    | Infection and inflammatory reaction due to implanted electronic neurostimulator of peripheral nerve, electrode (lead), sequela              | 98. other                      |
| T85733A    | Infection and inflammatory reaction due to implanted electronic neurostimulator of spinal cord, electrode (lead), initial encounter         | 98. other                      |
| T85733D    | Infection and inflammatory reaction due to implanted electronic neurostimulator of spinal cord, electrode (lead), subsequent encounter      | 98. other                      |
| T85733S    | Infection and inflammatory reaction due to implanted electronic neurostimulator of spinal cord, electrode (lead), sequela                   | 98. other                      |
| T85734A    | Infection and inflammatory reaction due to implanted electronic neurostimulator, generator, initial encounter                               | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| T85734D    | Infection and inflammatory reaction due to implanted electronic neurostimulator, generator, subsequent encounter        | 98. other                      |
| T85734S    | Infection and inflammatory reaction due to implanted electronic neurostimulator, generator, sequela                     | 98. other                      |
| T85735A    | Infection and inflammatory reaction due to cranial or spinal infusion catheter, initial encounter                       | 98. other                      |
| T85735D    | Infection and inflammatory reaction due to cranial or spinal infusion catheter, subsequent encounter                    | 98. other                      |
| T85735S    | Infection and inflammatory reaction due to cranial or spinal infusion catheter, sequela                                 | 98. other                      |
| T85738A    | Infection and inflammatory reaction due to other nervous system device, implant or graft, initial encounter             | 98. other                      |
| T85738D    | Infection and inflammatory reaction due to other nervous system device, implant or graft, subsequent encounter          | 98. other                      |
| T85738S    | Infection and inflammatory reaction due to other nervous system device, implant or graft, sequela                       | 98. other                      |
| T8579XA    | Infection and inflammatory reaction due to other internal prosthetic devices, implants and grafts, initial encounter    | 98. other                      |
| T8579XD    | Infection and inflammatory reaction due to other internal prosthetic devices, implants and grafts, subsequent encounter | 98. other                      |
| T8579XS    | Infection and inflammatory reaction due to other internal prosthetic devices, implants and grafts, sequela              | 98. other                      |
| T85810A    | Embolism due to nervous system prosthetic devices, implants and grafts, initial encounter                               | 98. other                      |
| T85810D    | Embolism due to nervous system prosthetic devices, implants and grafts, subsequent encounter                            | 98. other                      |
| T85810S    | Embolism due to nervous system prosthetic devices, implants and grafts, sequela   | 98. other                      |
| T85818A    | Embolism due to other internal prosthetic devices, implants and grafts, initial encounter                               | 98. other                      |
| T85818D    | Embolism due to other internal prosthetic devices, implants and grafts, subsequent encounter                            | 98. other                      |
| T85818S    | Embolism due to other internal prosthetic devices, implants and grafts, sequela   | 98. other                      |
| T85820A    | Fibrosis due to nervous system prosthetic devices, implants and grafts, initial encounter                               | 98. other                      |
| T85820D    | Fibrosis due to nervous system prosthetic devices, implants and grafts, subsequent encounter                            | 98. other                      |
| T85820S    | Fibrosis due to nervous system prosthetic devices, implants and grafts, sequela   | 98. other                      |
| T85828A    | Fibrosis due to other internal prosthetic devices, implants and grafts, initial encounter                               | 98. other                      |
| T85828D    | Fibrosis due to other internal prosthetic devices, implants and grafts, subsequent encounter                            | 98. other                      |
| T85828S    | Fibrosis due to other internal prosthetic devices, implants and grafts, sequela   | 98. other                      |
| T85830A    | Hemorrhage due to nervous system prosthetic devices, implants and grafts, initial encounter                             | 98. other                      |
| T85830D    | Hemorrhage due to nervous system prosthetic devices, implants and grafts, subsequent encounter                          | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| T85830S    | Hemorrhage due to nervous system prosthetic devices, implants and grafts, sequela                            | 98. other                      |
| T85838A    | Hemorrhage due to other internal prosthetic devices, implants and grafts, initial encounter                  | 98. other                      |
| T85838D    | Hemorrhage due to other internal prosthetic devices, implants and grafts, subsequent encounter               | 98. other                      |
| T85838S    | Hemorrhage due to other internal prosthetic devices, implants and grafts, sequela                            | 98. other                      |
| T85840A    | Pain due to nervous system prosthetic devices, implants and grafts, initial encounter                        | 98. other                      |
| T85840D    | Pain due to nervous system prosthetic devices, implants and grafts, subsequent encounter                     | 98. other                      |
| T85840S    | Pain due to nervous system prosthetic devices, implants and grafts, sequela                                  | 98. other                      |
| T85848A    | Pain due to other internal prosthetic devices, implants and grafts, initial encounter                        | 98. other                      |
| T85848D    | Pain due to other internal prosthetic devices, implants and grafts, subsequent encounter                     | 98. other                      |
| T85848S    | Pain due to other internal prosthetic devices, implants and grafts, sequela                                  | 98. other                      |
| T85850A    | Stenosis due to nervous system prosthetic devices, implants and grafts, initial encounter                    | 98. other                      |
| T85850D    | Stenosis due to nervous system prosthetic devices, implants and grafts, subsequent encounter                 | 98. other                      |
| T85850S    | Stenosis due to nervous system prosthetic devices, implants and grafts, sequela                              | 98. other                      |
| T85858A    | Stenosis due to other internal prosthetic devices, implants and grafts, initial encounter                    | 98. other                      |
| T85858D    | Stenosis due to other internal prosthetic devices, implants and grafts, subsequent encounter                 | 98. other                      |
| T85858S    | Stenosis due to other internal prosthetic devices, implants and grafts, sequela                              | 98. other                      |
| T85860A    | Thrombosis due to nervous system prosthetic devices, implants and grafts, initial encounter                  | 98. other                      |
| T85860D    | Thrombosis due to nervous system prosthetic devices, implants and grafts, subsequent encounter               | 98. other                      |
| T85860S    | Thrombosis due to nervous system prosthetic devices, implants and grafts, sequela                            | 98. other                      |
| T85868A    | Thrombosis due to other internal prosthetic devices, implants and grafts, initial encounter                  | 98. other                      |
| T85868D    | Thrombosis due to other internal prosthetic devices, implants and grafts, subsequent encounter               | 98. other                      |
| T85868S    | Thrombosis due to other internal prosthetic devices, implants and grafts, sequela                            | 98. other                      |
| T85890A    | Other specified complication of nervous system prosthetic devices, implants and grafts, initial encounter    | 98. other                      |

| V630XXA    | Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, initial encounter                         | 98. other                      |
| V630XXD    | Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, subsequent encounter                      | 98. other                      |
| V630XXS    | Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, sequela                                   | 98. other                      |
| V631XXA    | Passenger in heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, initial encounter                      | 98. other                      |
| V631XXD    | Passenger in heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, subsequent encounter                   | 98. other                      |
| V631XXS    | Passenger in heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, sequela                                | 98. other                      |
| V632XXA    | Person on outside of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, initial encounter              | 98. other                      |
| V632XXD    | Person on outside of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, subsequent encounter           | 98. other                      |
| V632XXS    | Person on outside of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, sequela                        | 98. other                      |
| V633XXA    | Unspecified occupant of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, initial encounter           | 98. other                      |
| V633XXD    | Unspecified occupant of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, subsequent encounter        | 98. other                      |
| V633XXS    | Unspecified occupant of heavy transport vehicle injured in collision with car, pick-up truck or van in nontraffic accident, sequela                     | 98. other                      |
| V634XXA    | Person boarding or alighting a heavy transport vehicle injured in collision with car, pick-up truck or van, initial encounter                           | 98. other                      |
| V634XXD    | Person boarding or alighting a heavy transport vehicle injured in collision with car, pick-up truck or van, subsequent encounter                        | 98. other                      |
| V634XXS    | Person boarding or alighting a heavy transport vehicle injured in collision with car, pick-up truck or van, sequela                                     | 98. other                      |
| V635XXA    | Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, initial encounter                            | 98. other                      |
| V635XXD    | Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, subsequent encounter                         | 98. other                      |
| V635XXS    | Driver of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, sequela                                      | 98. other                      |
| V636XXA    | Passenger in heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, initial encounter                         | 98. other                      |
| V636XXD    | Passenger in heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, subsequent encounter                      | 98. other                      |
| V636XXS    | Passenger in heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, sequela                                   | 98. other                      |
| V637XXA    | Person on outside of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, initial encounter                 | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| V637XXD    | Person on outside of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, subsequent encounter              | 98. other                      |
| V637XXS    | Person on outside of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, sequela                           | 98. other                      |
| V639XXA    | Unspecified occupant of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, initial encounter              | 98. other                      |
| V639XXD    | Unspecified occupant of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, subsequent encounter           | 98. other                      |
| V639XXS    | Unspecified occupant of heavy transport vehicle injured in collision with car, pick-up truck or van in traffic accident, sequela                        | 98. other                      |
| V640XXA    | Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, initial encounter                    | 98. other                      |
| V640XXD    | Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, subsequent encounter                 | 98. other                      |
| V640XXS    | Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, sequela                              | 98. other                      |
| V641XXA    | Passenger in heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, initial encounter                 | 98. other                      |
| V641XXD    | Passenger in heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, subsequent encounter              | 98. other                      |
| V641XXS    | Passenger in heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, sequela                           | 98. other                      |
| V642XXA    | Person on outside of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, initial encounter         | 98. other                      |
| V642XXD    | Person on outside of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, subsequent encounter      | 98. other                      |
| V642XXS    | Person on outside of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, sequela                   | 98. other                      |
| V643XXA    | Unspecified occupant of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, initial encounter      | 98. other                      |
| V643XXD    | Unspecified occupant of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, subsequent encounter   | 98. other                      |
| V643XXS    | Unspecified occupant of heavy transport vehicle injured in collision with heavy transport vehicle or bus in nontraffic accident, sequela                | 98. other                      |
| V644XXA    | Person boarding or alighting a heavy transport vehicle injured in collision with heavy transport vehicle or bus while boarding or alighting, initial e  | 98. other                      |
| V644XXD    | Person boarding or alighting a heavy transport vehicle injured in collision with heavy transport vehicle or bus while boarding or alighting, subsequent | 98. other                      |
| V644XXS    | Person boarding or alighting a heavy transport vehicle injured in collision with heavy transport vehicle or bus while boarding or alighting, sequela    | 98. other                      |
| V645XXA    | Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in traffic accident, initial encounter                       | 98. other                      |
| V645XXD    | Driver of heavy transport vehicle injured in collision with heavy transport vehicle or bus in traffic accident, subsequent encounter                    | 98. other                      |

| W9312XS    | Inhalation of liquid air, sequela  | 98. other                      |
| W932XXA    | Prolonged exposure in deep freeze unit or refrigerator, initial encounter                                  | 98. other                      |
| W932XXD    | Prolonged exposure in deep freeze unit or refrigerator, subsequent encounter                               | 98. other                      |
| W932XXS    | Prolonged exposure in deep freeze unit or refrigerator, sequela  | 98. other                      |
| W938XXA    | Exposure to other excessive cold of man-made origin, initial encounter                                     | 98. other                      |
| W938XXD    | Exposure to other excessive cold of man-made origin, subsequent encounter                                  | 98. other                      |
| W938XXS    | Exposure to other excessive cold of man-made origin, sequela   | 98. other                      |
| W940XXA    | Exposure to prolonged high air pressure, initial encounter   | 98. other                      |
| W940XXD    | Exposure to prolonged high air pressure, subsequent encounter  | 98. other                      |
| W940XXS    | Exposure to prolonged high air pressure, sequela   | 98. other                      |
| W9411XA    | Exposure to residence or prolonged visit at high altitude, initial encounter                               | 98. other                      |
| W9411XD    | Exposure to residence or prolonged visit at high altitude, subsequent encounter                            | 98. other                      |
| W9411XS    | Exposure to residence or prolonged visit at high altitude, sequela   | 98. other                      |
| W9412XA    | Exposure to other prolonged low air pressure, initial encounter  | 98. other                      |
| W9412XD    | Exposure to other prolonged low air pressure, subsequent encounter   | 98. other                      |
| W9412XS    | Exposure to other prolonged low air pressure, sequela  | 98. other                      |
| W9421XA    | Exposure to reduction in atmospheric pressure while surfacing from deep-water diving, initial encounter    | 98. other                      |
| W9421XD    | Exposure to reduction in atmospheric pressure while surfacing from deep-water diving, subsequent encounter | 98. other                      |
| W9421XS    | Exposure to reduction in atmospheric pressure while surfacing from deep-water diving, sequela              | 98. other                      |
| W9422XA    | Exposure to reduction in atmospheric pressure while surfacing from underground, initial encounter          | 98. other                      |
| W9422XD    | Exposure to reduction in atmospheric pressure while surfacing from underground, subsequent encounter       | 98. other                      |
| W9422XS    | Exposure to reduction in atmospheric pressure while surfacing from underground, sequela                    | 98. other                      |
| W9423XA    | Exposure to sudden change in air pressure in aircraft during ascent, initial encounter                     | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| W9423XD    | Exposure to sudden change in air pressure in aircraft during ascent, subsequent encounter          | 98. other                      |
| W9423XS    | Exposure to sudden change in air pressure in aircraft during ascent, sequela                       | 98. other                      |
| W9429XA    | Exposure to other rapid changes in air pressure during ascent, initial encounter                   | 98. other                      |
| W9429XD    | Exposure to other rapid changes in air pressure during ascent, subsequent encounter                | 98. other                      |
| W9429XS    | Exposure to other rapid changes in air pressure during ascent, sequela                             | 98. other                      |
| W9431XA    | Exposure to sudden change in air pressure in aircraft during descent, initial encounter            | 98. other                      |
| W9431XD    | Exposure to sudden change in air pressure in aircraft during descent, subsequent encounter         | 98. other                      |
| W9431XS    | Exposure to sudden change in air pressure in aircraft during descent, sequela                      | 98. other                      |
| W9432XA    | Exposure to high air pressure from rapid descent in water, initial encounter                       | 98. other                      |
| W9432XD    | Exposure to high air pressure from rapid descent in water, subsequent encounter                    | 98. other                      |
| W9432XS    | Exposure to high air pressure from rapid descent in water, sequela                                 | 98. other                      |
| W9439XA    | Exposure to other rapid changes in air pressure during descent, initial encounter                  | 98. other                      |
| W9439XD    | Exposure to other rapid changes in air pressure during descent, subsequent encounter               | 98. other                      |
| W9439XS    | Exposure to other rapid changes in air pressure during descent, sequela                            | 98. other                      |
| W99XXXA    | Exposure to other man-made environmental factors, initial encounter                                | 98. other                      |
| W99XXXD    | Exposure to other man-made environmental factors, subsequent encounter                             | 98. other                      |
| W99XXXS    | Exposure to other man-made environmental factors, sequela  | 98. other                      |
| X000XXA    | Exposure to flames in uncontrolled fire in building or structure, initial encounter                | 98. other                      |
| X000XXD    | Exposure to flames in uncontrolled fire in building or structure, subsequent encounter             | 98. other                      |
| X000XXS    | Exposure to flames in uncontrolled fire in building or structure, sequela                          | 98. other                      |
| X001XXA    | Exposure to smoke in uncontrolled fire in building or structure, initial encounter                 | 98. other                      |
| X001XXD    | Exposure to smoke in uncontrolled fire in building or structure, subsequent encounter              | 98. other                      |
| X001XXS    | Exposure to smoke in uncontrolled fire in building or structure, sequela                           | 98. other                      |
| X002XXA    | Injury due to collapse of burning building or structure in uncontrolled fire, initial encounter    | 98. other                      |
| X002XXD    | Injury due to collapse of burning building or structure in uncontrolled fire, subsequent encounter | 98. other                      |
| X002XXS    | Injury due to collapse of burning building or structure in uncontrolled fire, sequela              | 98. other                      |
| X003XXA    | Fall from burning building or structure in uncontrolled fire, initial encounter                    | 98. other                      |
| X003XXD    | Fall from burning building or structure in uncontrolled fire, subsequent encounter                 | 98. other                      |
| X003XXS    | Fall from burning building or structure in uncontrolled fire, sequela                              | 98. other                      |

| X730XXA    | Intentional self-harm by shotgun discharge, initial encounter  | 98. other                      |
| X730XXD    | Intentional self-harm by shotgun discharge, subsequent encounter                                     | 98. other                      |
| X730XXS    | Intentional self-harm by shotgun discharge, sequela  | 98. other                      |
| X731XXA    | Intentional self-harm by hunting rifle discharge, initial encounter                                  | 98. other                      |
| X731XXD    | Intentional self-harm by hunting rifle discharge, subsequent encounter                               | 98. other                      |
| X731XXS    | Intentional self-harm by hunting rifle discharge, sequela  | 98. other                      |
| X732XXA    | Intentional self-harm by machine gun discharge, initial encounter                                    | 98. other                      |
| X732XXD    | Intentional self-harm by machine gun discharge, subsequent encounter                                 | 98. other                      |
| X732XXS    | Intentional self-harm by machine gun discharge, sequela  | 98. other                      |
| X738XXA    | Intentional self-harm by other larger firearm discharge, initial encounter                           | 98. other                      |
| X738XXD    | Intentional self-harm by other larger firearm discharge, subsequent encounter                        | 98. other                      |
| X738XXS    | Intentional self-harm by other larger firearm discharge, sequela                                     | 98. other                      |
| X739XXA    | Intentional self-harm by unspecified larger firearm discharge, initial encounter                     | 98. other                      |
| X739XXD    | Intentional self-harm by unspecified larger firearm discharge, subsequent encounter                  | 98. other                      |
| X739XXS    | Intentional self-harm by unspecified larger firearm discharge, sequela                               | 98. other                      |
| X7401XA    | Intentional self-harm by airgun, initial encounter   | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| X7401XD    | Intentional self-harm by airgun, subsequent encounter                                | 98. other                      |
| X7401XS    | Intentional self-harm by airgun, sequela   | 98. other                      |
| X7402XA    | Intentional self-harm by paintball gun, initial encounter                            | 98. other                      |
| X7402XD    | Intentional self-harm by paintball gun, subsequent encounter                         | 98. other                      |
| X7402XS    | Intentional self-harm by paintball gun, sequela                                      | 98. other                      |
| X7409XA    | Intentional self-harm by other gas, air or spring-operated gun, initial encounter    | 98. other                      |
| X7409XD    | Intentional self-harm by other gas, air or spring-operated gun, subsequent encounter | 98. other                      |
| X7409XS    | Intentional self-harm by other gas, air or spring-operated gun, sequela              | 98. other                      |
| X748XXA    | Intentional self-harm by other firearm discharge, initial encounter                  | 98. other                      |
| X748XXD    | Intentional self-harm by other firearm discharge, subsequent encounter               | 98. other                      |
| X748XXS    | Intentional self-harm by other firearm discharge, sequela                            | 98. other                      |
| X749XXA    | Intentional self-harm by unspecified firearm discharge, initial encounter            | 98. other                      |
| X749XXD    | Intentional self-harm by unspecified firearm discharge, subsequent encounter         | 98. other                      |
| X749XXS    | Intentional self-harm by unspecified firearm discharge, sequela                      | 98. other                      |
| X75XXXA    | Intentional self-harm by explosive material, initial encounter                       | 98. other                      |
| X75XXXD    | Intentional self-harm by explosive material, subsequent encounter                    | 98. other                      |
| X75XXXS    | Intentional self-harm by explosive material, sequela                                 | 98. other                      |
| X76XXXA    | Intentional self-harm by smoke, fire and flames, initial encounter                   | 98. other                      |
| X76XXXD    | Intentional self-harm by smoke, fire and flames, subsequent encounter                | 98. other                      |
| X76XXXS    | Intentional self-harm by smoke, fire and flames, sequela                             | 98. other                      |
| X770XXA    | Intentional self-harm by steam or hot vapors, initial encounter                      | 98. other                      |
| X770XXD    | Intentional self-harm by steam or hot vapors, subsequent encounter                   | 98. other                      |
| X770XXS    | Intentional self-harm by steam or hot vapors, sequela                                | 98. other                      |
| X771XXA    | Intentional self-harm by hot tap water, initial encounter                            | 98. other                      |
| X771XXD    | Intentional self-harm by hot tap water, subsequent encounter                         | 98. other                      |
| X771XXS    | Intentional self-harm by hot tap water, sequela                                      | 98. other                      |
| X772XXA    | Intentional self-harm by other hot fluids, initial encounter                         | 98. other                      |
| X772XXD    | Intentional self-harm by other hot fluids, subsequent encounter                      | 98. other                      |
| X772XXS    | Intentional self-harm by other hot fluids, sequela                                   | 98. other                      |
| X773XXA    | Intentional self-harm by hot household appliances, initial encounter                 | 98. other                      |
| X773XXD    | Intentional self-harm by hot household appliances, subsequent encounter              | 98. other                      |
| X773XXS    | Intentional self-harm by hot household appliances, sequela                           | 98. other                      |
| X778XXA    | Intentional self-harm by other hot objects, initial encounter                        | 98. other                      |
| X778XXD    | Intentional self-harm by other hot objects, subsequent encounter                     | 98. other                      |
| X778XXS    | Intentional self-harm by other hot objects, sequela                                  | 98. other                      |
| X779XXA    | Intentional self-harm by unspecified hot objects, initial encounter                  | 98. other                      |
| X779XXD    | Intentional self-harm by unspecified hot objects, subsequent encounter               | 98. other                      |
| X779XXS    | Intentional self-harm by unspecified hot objects, sequela                            | 98. other                      |
| X780XXA    | Intentional self-harm by sharp glass, initial encounter                              | 98. other                      |
| X780XXD    | Intentional self-harm by sharp glass, subsequent encounter                           | 98. other                      |
| X780XXS    | Intentional self-harm by sharp glass, sequela  | 98. other                      |
| X781XXA    | Intentional self-harm by knife, initial encounter                                    | 98. other                      |
| X781XXD    | Intentional self-harm by knife, subsequent encounter                                 | 98. other                      |
| X781XXS    | Intentional self-harm by knife, sequela  | 98. other                      |
| X782XXA    | Intentional self-harm by sword or dagger, initial encounter                          | 98. other                      |
| X782XXD    | Intentional self-harm by sword or dagger, subsequent encounter                       | 98. other                      |
| X782XXS    | Intentional self-harm by sword or dagger, sequela                                    | 98. other                      |
| X788XXA    | Intentional self-harm by other sharp object, initial encounter                       | 98. other                      |
| X788XXD    | Intentional self-harm by other sharp object, subsequent encounter                    | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| X788XXS    | Intentional self-harm by other sharp object, sequela  | 98. other                      |
| X789XXA    | Intentional self-harm by unspecified sharp object, initial encounter                            | 98. other                      |
| X789XXD    | Intentional self-harm by unspecified sharp object, subsequent encounter                         | 98. other                      |
| X789XXS    | Intentional self-harm by unspecified sharp object, sequela                                      | 98. other                      |
| X79XXXA    | Intentional self-harm by blunt object, initial encounter  | 98. other                      |
| X79XXXD    | Intentional self-harm by blunt object, subsequent encounter                                     | 98. other                      |
| X79XXXS    | Intentional self-harm by blunt object, sequela  | 98. other                      |
| X80XXXA    | Intentional self-harm by jumping from a high place, initial encounter                           | 98. other                      |
| X80XXXD    | Intentional self-harm by jumping from a high place, subsequent encounter                        | 98. other                      |
| X80XXXS    | Intentional self-harm by jumping from a high place, sequela                                     | 98. other                      |
| X810XXA    | Intentional self-harm by jumping or lying in front of motor vehicle, initial encounter          | 98. other                      |
| X810XXD    | Intentional self-harm by jumping or lying in front of motor vehicle, subsequent encounter       | 98. other                      |
| X810XXS    | Intentional self-harm by jumping or lying in front of motor vehicle, sequela                    | 98. other                      |
| X811XXA    | Intentional self-harm by jumping or lying in front of (subway) train, initial encounter         | 98. other                      |
| X811XXD    | Intentional self-harm by jumping or lying in front of (subway) train, subsequent encounter      | 98. other                      |
| X811XXS    | Intentional self-harm by jumping or lying in front of (subway) train, sequela                   | 98. other                      |
| X818XXA    | Intentional self-harm by jumping or lying in front of other moving object, initial encounter    | 98. other                      |
| X818XXD    | Intentional self-harm by jumping or lying in front of other moving object, subsequent encounter | 98. other                      |
| X818XXS    | Intentional self-harm by jumping or lying in front of other moving object, sequela              | 98. other                      |
| X820XXA    | Intentional collision of motor vehicle with other motor vehicle, initial encounter              | 98. other                      |
| X820XXD    | Intentional collision of motor vehicle with other motor vehicle, subsequent encounter           | 98. other                      |
| X820XXS    | Intentional collision of motor vehicle with other motor vehicle, sequela                        | 98. other                      |
| X821XXA    | Intentional collision of motor vehicle with train, initial encounter                            | 98. other                      |
| X821XXD    | Intentional collision of motor vehicle with train, subsequent encounter                         | 98. other                      |
| X821XXS    | Intentional collision of motor vehicle with train, sequela                                      | 98. other                      |
| X822XXA    | Intentional collision of motor vehicle with tree, initial encounter                             | 98. other                      |
| X822XXD    | Intentional collision of motor vehicle with tree, subsequent encounter                          | 98. other                      |
| X822XXS    | Intentional collision of motor vehicle with tree, sequela                                       | 98. other                      |
| X828XXA    | Other intentional self-harm by crashing of motor vehicle, initial encounter                     | 98. other                      |
| X828XXD    | Other intentional self-harm by crashing of motor vehicle, subsequent encounter                  | 98. other                      |
| X828XXS    | Other intentional self-harm by crashing of motor vehicle, sequela                               | 98. other                      |
| X830XXA    | Intentional self-harm by crashing of aircraft, initial encounter                                | 98. other                      |
| X830XXD    | Intentional self-harm by crashing of aircraft, subsequent encounter                             | 98. other                      |
| X830XXS    | Intentional self-harm by crashing of aircraft, sequela  | 98. other                      |
| X831XXA    | Intentional self-harm by electrocution, initial encounter                                       | 98. other                      |
| X831XXD    | Intentional self-harm by electrocution, subsequent encounter                                    | 98. other                      |
| X831XXS    | Intentional self-harm by electrocution, sequela   | 98. other                      |
| X832XXA    | Intentional self-harm by exposure to extremes of cold, initial encounter                        | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| X832XXD    | Intentional self-harm by exposure to extremes of cold, subsequent encounter            | 98. other                      |
| X832XXS    | Intentional self-harm by exposure to extremes of cold, sequela                         | 98. other                      |
| X838XXA    | Intentional self-harm by other specified means, initial encounter                      | 98. other                      |
| X838XXD    | Intentional self-harm by other specified means, subsequent encounter                   | 98. other                      |
| X838XXS    | Intentional self-harm by other specified means, sequela                                | 98. other                      |
| X920XXA    | Assault by drowning and submersion while in bathtub, initial encounter                 | 98. other                      |
| X920XXD    | Assault by drowning and submersion while in bathtub, subsequent encounter              | 98. other                      |
| X920XXS    | Assault by drowning and submersion while in bathtub, sequela                           | 98. other                      |
| X921XXA    | Assault by drowning and submersion while in swimming pool, initial encounter           | 98. other                      |
| X921XXD    | Assault by drowning and submersion while in swimming pool, subsequent encounter        | 98. other                      |
| X921XXS    | Assault by drowning and submersion while in swimming pool, sequela                     | 98. other                      |
| X922XXA    | Assault by drowning and submersion after push into swimming pool, initial encounter    | 98. other                      |
| X922XXD    | Assault by drowning and submersion after push into swimming pool, subsequent encounter | 98. other                      |
| X922XXS    | Assault by drowning and submersion after push into swimming pool, sequela              | 98. other                      |
| X923XXA    | Assault by drowning and submersion in natural water, initial encounter                 | 98. other                      |
| X923XXD    | Assault by drowning and submersion in natural water, subsequent encounter              | 98. other                      |
| X923XXS    | Assault by drowning and submersion in natural water, sequela                           | 98. other                      |
| X928XXA    | Other assault by drowning and submersion, initial encounter                            | 98. other                      |
| X928XXD    | Other assault by drowning and submersion, subsequent encounter                         | 98. other                      |
| X928XXS    | Other assault by drowning and submersion, sequela                                      | 98. other                      |
| X929XXA    | Assault by drowning and submersion, unspecified, initial encounter                     | 98. other                      |
| X929XXD    | Assault by drowning and submersion, unspecified, subsequent encounter                  | 98. other                      |
| X929XXS    | Assault by drowning and submersion, unspecified, sequela                               | 98. other                      |
