

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| A000       | Cholera due to <i>Vibrio cholerae</i> 01, biovar cholerae                            | 98. other                      |
| A001       | Cholera due to <i>Vibrio cholerae</i> 01, biovar eltor                               | 98. other                      |
| A009       | Cholera, unspecified   | 98. other                      |
| A0100      | Typhoid fever, unspecified   | 98. other                      |
| A0101      | Typhoid meningitis   | 98. other                      |
| A0102      | Typhoid fever with heart involvement   | 98. other                      |
| A0103      | Typhoid pneumonia  | 98. other                      |
| A0104      | Typhoid arthritis  | 98. other                      |
| A0105      | Typhoid osteomyelitis  | 98. other                      |
| A0109      | Typhoid fever with other complications   | 98. other                      |
| A011       | Paratyphoid fever A  | 98. other                      |
| A012       | Paratyphoid fever B  | 98. other                      |
| A013       | Paratyphoid fever C  | 98. other                      |
| A014       | Paratyphoid fever, unspecified   | 98. other                      |
| A020       | <i>Salmonella</i> enteritis  | 98. other                      |
| A021       | <i>Salmonella</i> sepsis   | 98. other                      |
| A0220      | Localized salmonella infection, unspecified  | 98. other                      |
| A0221      | <i>Salmonella</i> meningitis   | 98. other                      |
| A0222      | <i>Salmonella</i> pneumonia  | 98. other                      |
| A0223      | <i>Salmonella</i> arthritis  | 98. other                      |
| A0224      | <i>Salmonella</i> osteomyelitis  | 98. other                      |
| A0225      | <i>Salmonella</i> pyelonephritis   | 98. other                      |
| A0229      | <i>Salmonella</i> with other localized infection                                     | 98. other                      |
| A028       | Other specified salmonella infections  | 98. other                      |
| A029       | <i>Salmonella</i> infection, unspecified   | 98. other                      |
| A030       | Shigellosis due to <i>Shigella dysenteriae</i>                                       | 98. other                      |
| A031       | Shigellosis due to <i>Shigella flexneri</i>  | 98. other                      |
| A032       | Shigellosis due to <i>Shigella boydii</i>  | 98. other                      |
| A033       | Shigellosis due to <i>Shigella sonnei</i>  | 98. other                      |
| A038       | Other shigellosis  | 98. other                      |
| A039       | Shigellosis, unspecified   | 98. other                      |
| A040       | Enteropathogenic <i>Escherichia coli</i> infection                                   | 98. other                      |
| A041       | Enterotoxigenic <i>Escherichia coli</i> infection                                    | 98. other                      |
| A042       | Enteroinvasive <i>Escherichia coli</i> infection                                     | 98. other                      |
| A043       | Enterohemorrhagic <i>Escherichia coli</i> infection                                  | 98. other                      |
| A044       | Other intestinal <i>Escherichia coli</i> infections                                  | 98. other                      |
| A045       | <i>Campylobacter</i> enteritis   | 98. other                      |
| A046       | Enteritis due to <i>Yersinia enterocolitica</i>                                      | 98. other                      |
| A0471      | Enterocolitis due to <i>Clostridium difficile</i> , recurrent                        | 98. other                      |
| A0472      | Enterocolitis due to <i>Clostridium difficile</i> , not specified as recurrent       | 98. other                      |
| A048       | Other specified bacterial intestinal infections                                      | 98. other                      |
| A049       | Bacterial intestinal infection, unspecified  | 98. other                      |
| A050       | Foodborne staphylococcal intoxication  | 98. other                      |
| A051       | Botulism food poisoning  | 98. other                      |
| A052       | Foodborne <i>Clostridium perfringens</i> [ <i>Clostridium welchii</i> ] intoxication | 98. other                      |
| A053       | Foodborne <i>Vibrio parahaemolyticus</i> intoxication                                | 98. other                      |
| A054       | Foodborne <i>Bacillus cereus</i> intoxication  | 98. other                      |
| A055       | Foodborne <i>Vibrio vulnificus</i> intoxication                                      | 98. other                      |
| A058       | Other specified bacterial foodborne intoxications                                    | 98. other                      |
| A059       | Bacterial foodborne intoxication, unspecified  | 98. other                      |
| A060       | Acute amebic dysentery   | 98. other                      |
| A061       | Chronic intestinal amebiasis   | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| A062       | Amebic nondysenteric colitis                             | 98. other                      |
| A063       | Ameboma of intestine                                     | 98. other                      |
| A064       | Amebic liver abscess                                     | 98. other                      |
| A065       | Amebic lung abscess                                      | 98. other                      |
| A066       | Amebic brain abscess                                     | 98. other                      |
| A067       | Cutaneous amebiasis                                      | 98. other                      |
| A0681      | Amebic cystitis  | 98. other                      |
| A0682      | Other amebic genitourinary infections                    | 98. other                      |
| A0689      | Other amebic infections                                  | 98. other                      |
| A069       | Amebiasis, unspecified                                   | 98. other                      |
| A070       | Balantidiasis  | 98. other                      |
| A071       | Giardiasis [lambliasis]                                  | 98. other                      |
| A072       | Cryptosporidiosis  | 98. other                      |
| A073       | Isosporiasis   | 98. other                      |
| A074       | Cyclosporiasis   | 98. other                      |
| A078       | Other specified protozoal intestinal diseases            | 98. other                      |
| A079       | Protozoal intestinal disease, unspecified                | 98. other                      |
| A080       | Rotaviral enteritis                                      | 98. other                      |
| A0811      | Acute gastroenteropathy due to Norwalk agent             | 98. other                      |
| A0819      | Acute gastroenteropathy due to other small round viruses | 98. other                      |
| A082       | Adenoviral enteritis                                     | 98. other                      |
| A0831      | Calicivirus enteritis                                    | 98. other                      |
| A0832      | Astrovirus enteritis                                     | 98. other                      |
| A0839      | Other viral enteritis                                    | 98. other                      |
| A084       | Viral intestinal infection, unspecified                  | 98. other                      |
| A088       | Other specified intestinal infections                    | 98. other                      |
| A09        | Infectious gastroenteritis and colitis, unspecified      | 98. other                      |
| A150       | Tuberculosis of lung                                     | 98. other                      |
| A154       | Tuberculosis of intrathoracic lymph nodes                | 98. other                      |
| A155       | Tuberculosis of larynx, trachea and bronchus             | 98. other                      |
| A156       | Tuberculous pleurisy                                     | 98. other                      |
| A157       | Primary respiratory tuberculosis                         | 98. other                      |
| A158       | Other respiratory tuberculosis                           | 98. other                      |
| A159       | Respiratory tuberculosis unspecified                     | 98. other                      |
| A170       | Tuberculous meningitis                                   | 98. other                      |
| A171       | Meningeal tuberculoma                                    | 98. other                      |
| A1781      | Tuberculoma of brain and spinal cord                     | 98. other                      |
| A1782      | Tuberculous meningoencephalitis                          | 98. other                      |
| A1783      | Tuberculous neuritis                                     | 98. other                      |
| A1789      | Other tuberculosis of nervous system                     | 98. other                      |
| A179       | Tuberculosis of nervous system, unspecified              | 98. other                      |
| A1801      | Tuberculosis of spine                                    | 98. other                      |
| A1802      | Tuberculous arthritis of other joints                    | 98. other                      |
| A1803      | Tuberculosis of other bones                              | 98. other                      |
| A1809      | Other musculoskeletal tuberculosis                       | 98. other                      |
| A1810      | Tuberculosis of genitourinary system, unspecified        | 98. other                      |
| A1811      | Tuberculosis of kidney and ureter                        | 98. other                      |
| A1812      | Tuberculosis of bladder                                  | 98. other                      |
| A1813      | Tuberculosis of other urinary organs                     | 98. other                      |
| A1814      | Tuberculosis of prostate                                 | 98. other                      |
| A1815      | Tuberculosis of other male genital organs                | 98. other                      |
| A1816      | Tuberculosis of cervix                                   | 98. other                      |

| H2510      | Age-related nuclear cataract, unspecified eye                                   | 98. other                      |
| H2511      | Age-related nuclear cataract, right eye   | 98. other                      |
| H2512      | Age-related nuclear cataract, left eye  | 98. other                      |
| H2513      | Age-related nuclear cataract, bilateral   | 98. other                      |
| H2520      | Age-related cataract, morgagnian type, unspecified eye                          | 98. other                      |
| H2521      | Age-related cataract, morgagnian type, right eye                                | 98. other                      |
| H2522      | Age-related cataract, morgagnian type, left eye                                 | 98. other                      |
| H2523      | Age-related cataract, morgagnian type, bilateral                                | 98. other                      |
| H25811     | Combined forms of age-related cataract, right eye                               | 98. other                      |
| H25812     | Combined forms of age-related cataract, left eye                                | 98. other                      |
| H25813     | Combined forms of age-related cataract, bilateral                               | 98. other                      |
| H25819     | Combined forms of age-related cataract, unspecified eye                         | 98. other                      |
| H2589      | Other age-related cataract  | 98. other                      |
| H259       | Unspecified age-related cataract  | 98. other                      |
| H26001     | Unspecified infantile and juvenile cataract, right eye                          | 98. other                      |
| H26002     | Unspecified infantile and juvenile cataract, left eye                           | 98. other                      |
| H26003     | Unspecified infantile and juvenile cataract, bilateral                          | 98. other                      |
| H26009     | Unspecified infantile and juvenile cataract, unspecified eye                    | 98. other                      |
| H26011     | Infantile and juvenile cortical, lamellar, or zonular cataract, right eye       | 98. other                      |
| H26012     | Infantile and juvenile cortical, lamellar, or zonular cataract, left eye        | 98. other                      |
| H26013     | Infantile and juvenile cortical, lamellar, or zonular cataract, bilateral       | 98. other                      |
| H26019     | Infantile and juvenile cortical, lamellar, or zonular cataract, unspecified eye | 98. other                      |
| H26031     | Infantile and juvenile nuclear cataract, right eye                              | 98. other                      |
| H26032     | Infantile and juvenile nuclear cataract, left eye                               | 98. other                      |
| H26033     | Infantile and juvenile nuclear cataract, bilateral                              | 98. other                      |
| H26039     | Infantile and juvenile nuclear cataract, unspecified eye                        | 98. other                      |
| H26041     | Anterior subcapsular polar infantile and juvenile cataract, right eye           | 98. other                      |
| H26042     | Anterior subcapsular polar infantile and juvenile cataract, left eye            | 98. other                      |
| H26043     | Anterior subcapsular polar infantile and juvenile cataract, bilateral           | 98. other                      |
| H26049     | Anterior subcapsular polar infantile and juvenile cataract, unspecified eye     | 98. other                      |
| H26051     | Posterior subcapsular polar infantile and juvenile cataract, right eye          | 98. other                      |
| H26052     | Posterior subcapsular polar infantile and juvenile cataract, left eye           | 98. other                      |
| H26053     | Posterior subcapsular polar infantile and juvenile cataract, bilateral          | 98. other                      |
| H26059     | Posterior subcapsular polar infantile and juvenile cataract, unspecified eye    | 98. other                      |
| H26061     | Combined forms of infantile and juvenile cataract, right eye                    | 98. other                      |
| H26062     | Combined forms of infantile and juvenile cataract, left eye                     | 98. other                      |
| H26063     | Combined forms of infantile and juvenile cataract, bilateral                    | 98. other                      |
| H26069     | Combined forms of infantile and juvenile cataract, unspecified eye              | 98. other                      |
| H2609      | Other infantile and juvenile cataract   | 98. other                      |
| H26101     | Unspecified traumatic cataract, right eye                                       | 98. other                      |
| H26102     | Unspecified traumatic cataract, left eye  | 98. other                      |
| H26103     | Unspecified traumatic cataract, bilateral                                       | 98. other                      |
| H26109     | Unspecified traumatic cataract, unspecified eye                                 | 98. other                      |
| H26111     | Localized traumatic opacities, right eye  | 98. other                      |
| H26112     | Localized traumatic opacities, left eye   | 98. other                      |
| H26113     | Localized traumatic opacities, bilateral  | 98. other                      |
| H26119     | Localized traumatic opacities, unspecified eye                                  | 98. other                      |
| H26121     | Partially resolved traumatic cataract, right eye                                | 98. other                      |
| H26122     | Partially resolved traumatic cataract, left eye                                 | 98. other                      |
| H26123     | Partially resolved traumatic cataract, bilateral                                | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| H26129     | Partially resolved traumatic cataract, unspecified eye                                | 98. other                      |
| H26131     | Total traumatic cataract, right eye   | 98. other                      |
| H26132     | Total traumatic cataract, left eye  | 98. other                      |
| H26133     | Total traumatic cataract, bilateral   | 98. other                      |
| H26139     | Total traumatic cataract, unspecified eye   | 98. other                      |
| H2620      | Unspecified complicated cataract  | 98. other                      |
| H26211     | Cataract with neovascularization, right eye   | 98. other                      |
| H26212     | Cataract with neovascularization, left eye  | 98. other                      |
| H26213     | Cataract with neovascularization, bilateral   | 98. other                      |
| H26219     | Cataract with neovascularization, unspecified eye                                     | 98. other                      |
| H26221     | Cataract secondary to ocular disorders (degenerative) (inflammatory), right eye       | 98. other                      |
| H26222     | Cataract secondary to ocular disorders (degenerative) (inflammatory), left eye        | 98. other                      |
| H26223     | Cataract secondary to ocular disorders (degenerative) (inflammatory), bilateral       | 98. other                      |
| H26229     | Cataract secondary to ocular disorders (degenerative) (inflammatory), unspecified eye | 98. other                      |
| H26231     | Glaucomatous flecks (subcapsular), right eye  | 98. other                      |
| H26232     | Glaucomatous flecks (subcapsular), left eye   | 98. other                      |
| H26233     | Glaucomatous flecks (subcapsular), bilateral  | 98. other                      |
| H26239     | Glaucomatous flecks (subcapsular), unspecified eye                                    | 98. other                      |
| H2630      | Drug-induced cataract, unspecified eye  | 98. other                      |
| H2631      | Drug-induced cataract, right eye  | 98. other                      |
| H2632      | Drug-induced cataract, left eye   | 98. other                      |
| H2633      | Drug-induced cataract, bilateral  | 98. other                      |
| H2640      | Unspecified secondary cataract  | 98. other                      |
| H26411     | Soemmering's ring, right eye  | 98. other                      |
| H26412     | Soemmering's ring, left eye   | 98. other                      |
| H26413     | Soemmering's ring, bilateral  | 98. other                      |
| H26419     | Soemmering's ring, unspecified eye  | 98. other                      |
| H26491     | Other secondary cataract, right eye   | 98. other                      |
| H26492     | Other secondary cataract, left eye  | 98. other                      |
| H26493     | Other secondary cataract, bilateral   | 98. other                      |
| H26499     | Other secondary cataract, unspecified eye   | 98. other                      |
| H268       | Other specified cataract  | 98. other                      |
| H269       | Unspecified cataract  | 98. other                      |
| H2700      | Aphakia, unspecified eye  | 98. other                      |
| H2701      | Aphakia, right eye  | 98. other                      |
| H2702      | Aphakia, left eye   | 98. other                      |
| H2703      | Aphakia, bilateral  | 98. other                      |
| H2710      | Unspecified dislocation of lens   | 98. other                      |
| H27111     | Subluxation of lens, right eye  | 98. other                      |
| H27112     | Subluxation of lens, left eye   | 98. other                      |
| H27113     | Subluxation of lens, bilateral  | 98. other                      |
| H27119     | Subluxation of lens, unspecified eye  | 98. other                      |
| H27121     | Anterior dislocation of lens, right eye   | 98. other                      |
| H27122     | Anterior dislocation of lens, left eye  | 98. other                      |
| H27123     | Anterior dislocation of lens, bilateral   | 98. other                      |
| H27129     | Anterior dislocation of lens, unspecified eye   | 98. other                      |
| H27131     | Posterior dislocation of lens, right eye  | 98. other                      |
| H27132     | Posterior dislocation of lens, left eye   | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| H27133     | Posterior dislocation of lens, bilateral                                   | 98. other                      |
| H27139     | Posterior dislocation of lens, unspecified eye                             | 98. other                      |

| K51014     | Ulcerative (chronic) pancolitis with abscess                         | 98. other                      |
| K51018     | Ulcerative (chronic) pancolitis with other complication              | 98. other                      |
| K51019     | Ulcerative (chronic) pancolitis with unspecified complications       | 98. other                      |
| K5120      | Ulcerative (chronic) proctitis without complications                 | 98. other                      |
| K51211     | Ulcerative (chronic) proctitis with rectal bleeding                  | 98. other                      |
| K51212     | Ulcerative (chronic) proctitis with intestinal obstruction           | 98. other                      |
| K51213     | Ulcerative (chronic) proctitis with fistula                          | 98. other                      |
| K51214     | Ulcerative (chronic) proctitis with abscess                          | 98. other                      |
| K51218     | Ulcerative (chronic) proctitis with other complication               | 98. other                      |
| K51219     | Ulcerative (chronic) proctitis with unspecified complications        | 98. other                      |
| K5130      | Ulcerative (chronic) rectosigmoiditis without complications          | 98. other                      |
| K51311     | Ulcerative (chronic) rectosigmoiditis with rectal bleeding           | 98. other                      |
| K51312     | Ulcerative (chronic) rectosigmoiditis with intestinal obstruction    | 98. other                      |
| K51313     | Ulcerative (chronic) rectosigmoiditis with fistula                   | 98. other                      |
| K51314     | Ulcerative (chronic) rectosigmoiditis with abscess                   | 98. other                      |
| K51318     | Ulcerative (chronic) rectosigmoiditis with other complication        | 98. other                      |
| K51319     | Ulcerative (chronic) rectosigmoiditis with unspecified complications | 98. other                      |
| K5140      | Inflammatory polyps of colon without complications                   | 98. other                      |
| K51411     | Inflammatory polyps of colon with rectal bleeding                    | 98. other                      |
| K51412     | Inflammatory polyps of colon with intestinal obstruction             | 98. other                      |
| K51413     | Inflammatory polyps of colon with fistula                            | 98. other                      |
| K51414     | Inflammatory polyps of colon with abscess                            | 98. other                      |
| K51418     | Inflammatory polyps of colon with other complication                 | 98. other                      |
| K51419     | Inflammatory polyps of colon with unspecified complications          | 98. other                      |
| K5150      | Left sided colitis without complications                             | 98. other                      |
| K51511     | Left sided colitis with rectal bleeding                              | 98. other                      |
| K51512     | Left sided colitis with intestinal obstruction                       | 98. other                      |
| K51513     | Left sided colitis with fistula                                      | 98. other                      |
| K51514     | Left sided colitis with abscess                                      | 98. other                      |
| K51518     | Left sided colitis with other complication                           | 98. other                      |
| K51519     | Left sided colitis with unspecified complications                    | 98. other                      |
| K5180      | Other ulcerative colitis without complications                       | 98. other                      |
| K51811     | Other ulcerative colitis with rectal bleeding                        | 98. other                      |
| K51812     | Other ulcerative colitis with intestinal obstruction                 | 98. other                      |
| K51813     | Other ulcerative colitis with fistula                                | 98. other                      |
| K51814     | Other ulcerative colitis with abscess                                | 98. other                      |
| K51818     | Other ulcerative colitis with other complication                     | 98. other                      |
| K51819     | Other ulcerative colitis with unspecified complications              | 98. other                      |
| K5190      | Ulcerative colitis, unspecified, without complications               | 98. other                      |
| K51911     | Ulcerative colitis, unspecified with rectal bleeding                 | 98. other                      |
| K51912     | Ulcerative colitis, unspecified with intestinal obstruction          | 98. other                      |
| K51913     | Ulcerative colitis, unspecified with fistula                         | 98. other                      |
| K51914     | Ulcerative colitis, unspecified with abscess                         | 98. other                      |
| K51918     | Ulcerative colitis, unspecified with other complication              | 98. other                      |
| K51919     | Ulcerative colitis, unspecified with unspecified complications       | 98. other                      |
| K520       | Gastroenteritis and colitis due to radiation                         | 98. other                      |
| K521       | Toxic gastroenteritis and colitis                                    | 98. other                      |
| K5221      | Food protein-induced enterocolitis syndrome                          | 98. other                      |
| K5222      | Food protein-induced enteropathy                                     | 98. other                      |
| K5229      | Other allergic and dietetic gastroenteritis and colitis              | 98. other                      |
| K523       | Indeterminate colitis  | 98. other                      |
| K5281      | Eosinophilic gastritis or gastroenteritis                            | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| K5282      | Eosinophilic colitis  | 98. other                      |
| K52831     | Collagenous colitis   | 98. other                      |
| K52832     | Lymphocytic colitis   | 98. other                      |
| K52838     | Other microscopic colitis   | 98. other                      |
| K52839     | Microscopic colitis, unspecified  | 98. other                      |
| K5289      | Other specified noninfective gastroenteritis and colitis                                  | 98. other                      |
| K529       | Noninfective gastroenteritis and colitis, unspecified                                     | 98. other                      |
| K55011     | Focal (segmental) acute (reversible) ischemia of small intestine                          | 98. other                      |
| K55012     | Diffuse acute (reversible) ischemia of small intestine                                    | 98. other                      |
| K55019     | Acute (reversible) ischemia of small intestine, extent unspecified                        | 98. other                      |
| K55021     | Focal (segmental) acute infarction of small intestine                                     | 98. other                      |
| K55022     | Diffuse acute infarction of small intestine   | 98. other                      |
| K55029     | Acute infarction of small intestine, extent unspecified                                   | 98. other                      |
| K55031     | Focal (segmental) acute (reversible) ischemia of large intestine                          | 98. other                      |
| K55032     | Diffuse acute (reversible) ischemia of large intestine                                    | 98. other                      |
| K55039     | Acute (reversible) ischemia of large intestine, extent unspecified                        | 98. other                      |
| K55041     | Focal (segmental) acute infarction of large intestine                                     | 98. other                      |
| K55042     | Diffuse acute infarction of large intestine   | 98. other                      |
| K55049     | Acute infarction of large intestine, extent unspecified                                   | 98. other                      |
| K55051     | Focal (segmental) acute (reversible) ischemia of intestine, part unspecified              | 98. other                      |
| K55052     | Diffuse acute (reversible) ischemia of intestine, part unspecified                        | 98. other                      |
| K55059     | Acute (reversible) ischemia of intestine, part and extent unspecified                     | 98. other                      |
| K55061     | Focal (segmental) acute infarction of intestine, part unspecified                         | 98. other                      |
| K55062     | Diffuse acute infarction of intestine, part unspecified                                   | 98. other                      |
| K55069     | Acute infarction of intestine, part and extent unspecified                                | 98. other                      |
| K551       | Chronic vascular disorders of intestine   | 98. other                      |
| K5520      | Angiodysplasia of colon without hemorrhage  | 98. other                      |
| K5521      | Angiodysplasia of colon with hemorrhage   | 98. other                      |
| K5530      | Necrotizing enterocolitis, unspecified  | 98. other                      |
| K5531      | Stage 1 necrotizing enterocolitis   | 98. other                      |
| K5532      | Stage 2 necrotizing enterocolitis   | 98. other                      |
| K5533      | Stage 3 necrotizing enterocolitis   | 98. other                      |
| K558       | Other vascular disorders of intestine   | 98. other                      |
| K559       | Vascular disorder of intestine, unspecified   | 98. other                      |
| K560       | Paralytic ileus   | 98. other                      |
| K561       | Intussusception   | 98. other                      |
| K562       | Volvulus  | 98. other                      |
| K563       | Gallstone ileus   | 98. other                      |
| K5641      | Fecal impaction   | 98. other                      |
| K5649      | Other impaction of intestine  | 98. other                      |
| K5650      | Intestinal adhesions [bands], unspecified as to partial versus complete obstruction       | 98. other                      |
| K5651      | Intestinal adhesions [bands], with partial obstruction                                    | 98. other                      |
| K5652      | Intestinal adhesions [bands] with complete obstruction                                    | 98. other                      |
| K56600     | Partial intestinal obstruction, unspecified as to cause                                   | 98. other                      |
| K56601     | Complete intestinal obstruction, unspecified as to cause                                  | 98. other                      |
| K56609     | Unspecified intestinal obstruction, unspecified as to partial versus complete obstruction | 98. other                      |
| K56690     | Other partial intestinal obstruction  | 98. other                      |
| K56691     | Other complete intestinal obstruction   | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| K56699     | Other intestinal obstruction unspecified as to partial versus complete obstruction               | 98. other                      |
| K567       | Ileus, unspecified   | 98. other                      |
| K5700      | Diverticulitis of small intestine with perforation and abscess without bleeding                  | 98. other                      |
| K5701      | Diverticulitis of small intestine with perforation and abscess with bleeding                     | 98. other                      |
| K5710      | Diverticulosis of small intestine without perforation or abscess without bleeding                | 98. other                      |
| K5711      | Diverticulosis of small intestine without perforation or abscess with bleeding                   | 98. other                      |
| K5712      | Diverticulitis of small intestine without perforation or abscess without bleeding                | 98. other                      |
| K5713      | Diverticulitis of small intestine without perforation or abscess with bleeding                   | 98. other                      |
| K5720      | Diverticulitis of large intestine with perforation and abscess without bleeding                  | 98. other                      |
| K5721      | Diverticulitis of large intestine with perforation and abscess with bleeding                     | 98. other                      |
| K5730      | Diverticulosis of large intestine without perforation or abscess without bleeding                | 98. other                      |
| K5731      | Diverticulosis of large intestine without perforation or abscess with bleeding                   | 98. other                      |
| K5732      | Diverticulitis of large intestine without perforation or abscess without bleeding                | 98. other                      |
| K5733      | Diverticulitis of large intestine without perforation or abscess with bleeding                   | 98. other                      |
| K5740      | Diverticulitis of both small and large intestine with perforation and abscess without bleeding   | 98. other                      |

| L89134     | Pressure ulcer of right lower back, stage 4                                   | 98. other                      |
| L89139     | Pressure ulcer of right lower back, unspecified stage                         | 98. other                      |
| L89140     | Pressure ulcer of left lower back, unstageable                                | 98. other                      |
| L89141     | Pressure ulcer of left lower back, stage 1                                    | 98. other                      |
| L89142     | Pressure ulcer of left lower back, stage 2                                    | 98. other                      |
| L89143     | Pressure ulcer of left lower back, stage 3                                    | 98. other                      |
| L89144     | Pressure ulcer of left lower back, stage 4                                    | 98. other                      |
| L89149     | Pressure ulcer of left lower back, unspecified stage                          | 98. other                      |
| L89150     | Pressure ulcer of sacral region, unstageable                                  | 98. other                      |
| L89151     | Pressure ulcer of sacral region, stage 1                                      | 98. other                      |
| L89152     | Pressure ulcer of sacral region, stage 2                                      | 98. other                      |
| L89153     | Pressure ulcer of sacral region, stage 3                                      | 98. other                      |
| L89154     | Pressure ulcer of sacral region, stage 4                                      | 98. other                      |
| L89159     | Pressure ulcer of sacral region, unspecified stage                            | 98. other                      |
| L89200     | Pressure ulcer of unspecified hip, unstageable                                | 98. other                      |
| L89201     | Pressure ulcer of unspecified hip, stage 1                                    | 98. other                      |
| L89202     | Pressure ulcer of unspecified hip, stage 2                                    | 98. other                      |
| L89203     | Pressure ulcer of unspecified hip, stage 3                                    | 98. other                      |
| L89204     | Pressure ulcer of unspecified hip, stage 4                                    | 98. other                      |
| L89209     | Pressure ulcer of unspecified hip, unspecified stage                          | 98. other                      |
| L89210     | Pressure ulcer of right hip, unstageable                                      | 98. other                      |
| L89211     | Pressure ulcer of right hip, stage 1  | 98. other                      |
| L89212     | Pressure ulcer of right hip, stage 2  | 98. other                      |
| L89213     | Pressure ulcer of right hip, stage 3  | 98. other                      |
| L89214     | Pressure ulcer of right hip, stage 4  | 98. other                      |
| L89219     | Pressure ulcer of right hip, unspecified stage                                | 98. other                      |
| L89220     | Pressure ulcer of left hip, unstageable                                       | 98. other                      |
| L89221     | Pressure ulcer of left hip, stage 1   | 98. other                      |
| L89222     | Pressure ulcer of left hip, stage 2   | 98. other                      |
| L89223     | Pressure ulcer of left hip, stage 3   | 98. other                      |
| L89224     | Pressure ulcer of left hip, stage 4   | 98. other                      |
| L89229     | Pressure ulcer of left hip, unspecified stage                                 | 98. other                      |
| L89300     | Pressure ulcer of unspecified buttock, unstageable                            | 98. other                      |
| L89301     | Pressure ulcer of unspecified buttock, stage 1                                | 98. other                      |
| L89302     | Pressure ulcer of unspecified buttock, stage 2                                | 98. other                      |
| L89303     | Pressure ulcer of unspecified buttock, stage 3                                | 98. other                      |
| L89304     | Pressure ulcer of unspecified buttock, stage 4                                | 98. other                      |
| L89309     | Pressure ulcer of unspecified buttock, unspecified stage                      | 98. other                      |
| L89310     | Pressure ulcer of right buttock, unstageable                                  | 98. other                      |
| L89311     | Pressure ulcer of right buttock, stage 1                                      | 98. other                      |
| L89312     | Pressure ulcer of right buttock, stage 2                                      | 98. other                      |
| L89313     | Pressure ulcer of right buttock, stage 3                                      | 98. other                      |
| L89314     | Pressure ulcer of right buttock, stage 4                                      | 98. other                      |
| L89319     | Pressure ulcer of right buttock, unspecified stage                            | 98. other                      |
| L89320     | Pressure ulcer of left buttock, unstageable                                   | 98. other                      |
| L89321     | Pressure ulcer of left buttock, stage 1                                       | 98. other                      |
| L89322     | Pressure ulcer of left buttock, stage 2                                       | 98. other                      |
| L89323     | Pressure ulcer of left buttock, stage 3                                       | 98. other                      |
| L89324     | Pressure ulcer of left buttock, stage 4                                       | 98. other                      |
| L89329     | Pressure ulcer of left buttock, unspecified stage                             | 98. other                      |
| L8940      | Pressure ulcer of contiguous site of back, buttock and hip, unspecified stage | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |

| M2350      | Chronic instability of knee, unspecified knee                                   | 98. other                      |
| M2351      | Chronic instability of knee, right knee   | 98. other                      |
| M2352      | Chronic instability of knee, left knee  | 98. other                      |
| M23601     | Other spontaneous disruption of unspecified ligament of right knee              | 98. other                      |
| M23602     | Other spontaneous disruption of unspecified ligament of left knee               | 98. other                      |
| M23609     | Other spontaneous disruption of unspecified ligament of unspecified knee        | 98. other                      |
| M23611     | Other spontaneous disruption of anterior cruciate ligament of right knee        | 98. other                      |
| M23612     | Other spontaneous disruption of anterior cruciate ligament of left knee         | 98. other                      |
| M23619     | Other spontaneous disruption of anterior cruciate ligament of unspecified knee  | 98. other                      |
| M23621     | Other spontaneous disruption of posterior cruciate ligament of right knee       | 98. other                      |
| M23622     | Other spontaneous disruption of posterior cruciate ligament of left knee        | 98. other                      |
| M23629     | Other spontaneous disruption of posterior cruciate ligament of unspecified knee | 98. other                      |
| M23631     | Other spontaneous disruption of medial collateral ligament of right knee        | 98. other                      |
| M23632     | Other spontaneous disruption of medial collateral ligament of left knee         | 98. other                      |
| M23639     | Other spontaneous disruption of medial collateral ligament of unspecified knee  | 98. other                      |
| M23641     | Other spontaneous disruption of lateral collateral ligament of right knee       | 98. other                      |
| M23642     | Other spontaneous disruption of lateral collateral ligament of left knee        | 98. other                      |
| M23649     | Other spontaneous disruption of lateral collateral ligament of unspecified knee | 98. other                      |
| M23671     | Other spontaneous disruption of capsular ligament of right knee                 | 98. other                      |
| M23672     | Other spontaneous disruption of capsular ligament of left knee                  | 98. other                      |
| M23679     | Other spontaneous disruption of capsular ligament of unspecified knee           | 98. other                      |
| M238X1     | Other internal derangements of right knee                                       | 98. other                      |
| M238X2     | Other internal derangements of left knee  | 98. other                      |
| M238X9     | Other internal derangements of unspecified knee                                 | 98. other                      |
| M2390      | Unspecified internal derangement of unspecified knee                            | 98. other                      |
| M2391      | Unspecified internal derangement of right knee                                  | 98. other                      |
| M2392      | Unspecified internal derangement of left knee                                   | 98. other                      |
| M2400      | Loose body in unspecified joint   | 98. other                      |
| M24011     | Loose body in right shoulder  | 98. other                      |
| M24012     | Loose body in left shoulder   | 98. other                      |
| M24019     | Loose body in unspecified shoulder  | 98. other                      |
| M24021     | Loose body in right elbow   | 98. other                      |
| M24022     | Loose body in left elbow  | 98. other                      |
| M24029     | Loose body in unspecified elbow   | 98. other                      |
| M24031     | Loose body in right wrist   | 98. other                      |
| M24032     | Loose body in left wrist  | 98. other                      |
| M24039     | Loose body in unspecified wrist   | 98. other                      |
| M24041     | Loose body in right finger joint(s)   | 98. other                      |
| M24042     | Loose body in left finger joint(s)  | 98. other                      |
| M24049     | Loose body in unspecified finger joint(s)                                       | 98. other                      |
| M24051     | Loose body in right hip   | 98. other                      |
| M24052     | Loose body in left hip  | 98. other                      |
| M24059     | Loose body in unspecified hip   | 98. other                      |
| M24071     | Loose body in right ankle   | 98. other                      |
| M24072     | Loose body in left ankle  | 98. other                      |
| M24073     | Loose body in unspecified ankle   | 98. other                      |
| M24074     | Loose body in right toe joint(s)  | 98. other                      |
| M24075     | Loose body in left toe joint(s)   | 98. other                      |

| M84562P    | Pathological fracture in neoplastic disease, left tibia, subsequent encounter for fracture with malunion               | 98. other                      |
| M84562S    | Pathological fracture in neoplastic disease, left tibia, sequela   | 98. other                      |
| M84563A    | Pathological fracture in neoplastic disease, right fibula, initial encounter for fracture                              | 98. other                      |
| M84563D    | Pathological fracture in neoplastic disease, right fibula, subsequent encounter for fracture with routine healing      | 98. other                      |
| M84563G    | Pathological fracture in neoplastic disease, right fibula, subsequent encounter for fracture with delayed healing      | 98. other                      |
| M84563K    | Pathological fracture in neoplastic disease, right fibula, subsequent encounter for fracture with nonunion             | 98. other                      |
| M84563P    | Pathological fracture in neoplastic disease, right fibula, subsequent encounter for fracture with malunion             | 98. other                      |
| M84563S    | Pathological fracture in neoplastic disease, right fibula, sequela   | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| M84564A    | Pathological fracture in neoplastic disease, left fibula, initial encounter for fracture  | 98. other                      |
| M84564D    | Pathological fracture in neoplastic disease, left fibula, subsequent encounter for fracture with routine healing                  | 98. other                      |
| M84564G    | Pathological fracture in neoplastic disease, left fibula, subsequent encounter for fracture with delayed healing                  | 98. other                      |
| M84564K    | Pathological fracture in neoplastic disease, left fibula, subsequent encounter for fracture with nonunion                         | 98. other                      |
| M84564P    | Pathological fracture in neoplastic disease, left fibula, subsequent encounter for fracture with malunion                         | 98. other                      |
| M84564S    | Pathological fracture in neoplastic disease, left fibula, sequela   | 98. other                      |
| M84569A    | Pathological fracture in neoplastic disease, unspecified tibia and fibula, initial encounter for fracture                         | 98. other                      |
| M84569D    | Pathological fracture in neoplastic disease, unspecified tibia and fibula, subsequent encounter for fracture with routine healing | 98. other                      |
| M84569G    | Pathological fracture in neoplastic disease, unspecified tibia and fibula, subsequent encounter for fracture with delayed healing | 98. other                      |
| M84569K    | Pathological fracture in neoplastic disease, unspecified tibia and fibula, subsequent encounter for fracture with nonunion        | 98. other                      |
| M84569P    | Pathological fracture in neoplastic disease, unspecified tibia and fibula, subsequent encounter for fracture with malunion        | 98. other                      |
| M84569S    | Pathological fracture in neoplastic disease, unspecified tibia and fibula, sequela  | 98. other                      |
| M84571A    | Pathological fracture in neoplastic disease, right ankle, initial encounter for fracture  | 98. other                      |
| M84571D    | Pathological fracture in neoplastic disease, right ankle, subsequent encounter for fracture with routine healing                  | 98. other                      |
| M84571G    | Pathological fracture in neoplastic disease, right ankle, subsequent encounter for fracture with delayed healing                  | 98. other                      |
| M84571K    | Pathological fracture in neoplastic disease, right ankle, subsequent encounter for fracture with nonunion                         | 98. other                      |
| M84571P    | Pathological fracture in neoplastic disease, right ankle, subsequent encounter for fracture with malunion                         | 98. other                      |
| M84571S    | Pathological fracture in neoplastic disease, right ankle, sequela   | 98. other                      |
| M84572A    | Pathological fracture in neoplastic disease, left ankle, initial encounter for fracture   | 98. other                      |
| M84572D    | Pathological fracture in neoplastic disease, left ankle, subsequent encounter for fracture with routine healing                   | 98. other                      |
| M84572G    | Pathological fracture in neoplastic disease, left ankle, subsequent encounter for fracture with delayed healing                   | 98. other                      |
