| M89732     | Major osseous defect, left forearm   | 98. other                      |
| M89739     | Major osseous defect, unspecified forearm                                  | 98. other                      |
| M89741     | Major osseous defect, right hand   | 98. other                      |
| M89742     | Major osseous defect, left hand  | 98. other                      |
| M89749     | Major osseous defect, unspecified hand                                     | 98. other                      |
| M89751     | Major osseous defect, right pelvic region and thigh                        | 98. other                      |
| M89752     | Major osseous defect, left pelvic region and thigh                         | 98. other                      |
| M89759     | Major osseous defect, unspecified pelvic region and thigh                  | 98. other                      |
| M89761     | Major osseous defect, right lower leg                                      | 98. other                      |
| M89762     | Major osseous defect, left lower leg                                       | 98. other                      |
| M89769     | Major osseous defect, unspecified lower leg                                | 98. other                      |
| M89771     | Major osseous defect, right ankle and foot                                 | 98. other                      |
| M89772     | Major osseous defect, left ankle and foot                                  | 98. other                      |
| M89779     | Major osseous defect, unspecified ankle and foot                           | 98. other                      |
| M8978      | Major osseous defect, other site   | 98. other                      |
| M8979      | Major osseous defect, multiple sites                                       | 98. other                      |
| M898X0     | Other specified disorders of bone, multiple sites                          | 98. other                      |
| M898X1     | Other specified disorders of bone, shoulder                                | 98. other                      |
| M898X2     | Other specified disorders of bone, upper arm                               | 98. other                      |
| M898X3     | Other specified disorders of bone, forearm                                 | 98. other                      |
| M898X4     | Other specified disorders of bone, hand                                    | 98. other                      |
| M898X5     | Other specified disorders of bone, thigh                                   | 98. other                      |
| M898X6     | Other specified disorders of bone, lower leg                               | 98. other                      |
| M898X7     | Other specified disorders of bone, ankle and foot                          | 98. other                      |
| M898X8     | Other specified disorders of bone, other site                              | 98. other                      |
| M898X9     | Other specified disorders of bone, unspecified site                        | 98. other                      |
| M899       | Disorder of bone, unspecified  | 98. other                      |
| M9050      | Osteonecrosis in diseases classified elsewhere, unspecified site           | 98. other                      |
| M90511     | Osteonecrosis in diseases classified elsewhere, right shoulder             | 98. other                      |
| M90512     | Osteonecrosis in diseases classified elsewhere, left shoulder              | 98. other                      |
| M90519     | Osteonecrosis in diseases classified elsewhere, unspecified shoulder       | 98. other                      |
| M90521     | Osteonecrosis in diseases classified elsewhere, right upper arm            | 98. other                      |
| M90522     | Osteonecrosis in diseases classified elsewhere, left upper arm             | 98. other                      |
| M90529     | Osteonecrosis in diseases classified elsewhere, unspecified upper arm      | 98. other                      |
| M90531     | Osteonecrosis in diseases classified elsewhere, right forearm              | 98. other                      |
| M90532     | Osteonecrosis in diseases classified elsewhere, left forearm               | 98. other                      |
| M90539     | Osteonecrosis in diseases classified elsewhere, unspecified forearm        | 98. other                      |
| M90541     | Osteonecrosis in diseases classified elsewhere, right hand                 | 98. other                      |
| M90542     | Osteonecrosis in diseases classified elsewhere, left hand                  | 98. other                      |
| M90549     | Osteonecrosis in diseases classified elsewhere, unspecified hand           | 98. other                      |
| M90551     | Osteonecrosis in diseases classified elsewhere, right thigh                | 98. other                      |
| M90552     | Osteonecrosis in diseases classified elsewhere, left thigh                 | 98. other                      |
| M90559     | Osteonecrosis in diseases classified elsewhere, unspecified thigh          | 98. other                      |
| M90561     | Osteonecrosis in diseases classified elsewhere, right lower leg            | 98. other                      |
| M90562     | Osteonecrosis in diseases classified elsewhere, left lower leg             | 98. other                      |
| M90569     | Osteonecrosis in diseases classified elsewhere, unspecified lower leg      | 98. other                      |
| M90571     | Osteonecrosis in diseases classified elsewhere, right ankle and foot       | 98. other                      |
| M90572     | Osteonecrosis in diseases classified elsewhere, left ankle and foot        | 98. other                      |
| M90579     | Osteonecrosis in diseases classified elsewhere, unspecified ankle and foot | 98. other                      |
| M9058      | Osteonecrosis in diseases classified elsewhere, other site                 | 98. other                      |
| M9059      | Osteonecrosis in diseases classified elsewhere, multiple sites             | 98. other                      |

| O337XX3    | Maternal care for disproportion due to other fetal deformities, fetus 3                | 98. other                      |
| O337XX4    | Maternal care for disproportion due to other fetal deformities, fetus 4                | 98. other                      |
| O337XX5    | Maternal care for disproportion due to other fetal deformities, fetus 5                | 98. other                      |
| O337XX9    | Maternal care for disproportion due to other fetal deformities, other fetus            | 98. other                      |
| O338       | Maternal care for disproportion of other origin  | 98. other                      |
| O339       | Maternal care for disproportion, unspecified   | 98. other                      |
| O3400      | Maternal care for unspecified congenital malformation of uterus, unspecified trimester | 98. other                      |
| O3401      | Maternal care for unspecified congenital malformation of uterus, first trimester       | 98. other                      |
| O3402      | Maternal care for unspecified congenital malformation of uterus, second trimester      | 98. other                      |
| O3403      | Maternal care for unspecified congenital malformation of uterus, third trimester       | 98. other                      |
| O3410      | Maternal care for benign tumor of corpus uteri, unspecified trimester                  | 98. other                      |
| O3411      | Maternal care for benign tumor of corpus uteri, first trimester                        | 98. other                      |
| O3412      | Maternal care for benign tumor of corpus uteri, second trimester                       | 98. other                      |
| O3413      | Maternal care for benign tumor of corpus uteri, third trimester                        | 98. other                      |
| O34211     | Maternal care for low transverse scar from previous cesarean delivery                  | 98. other                      |
| O34212     | Maternal care for vertical scar from previous cesarean delivery                        | 98. other                      |
| O34219     | Maternal care for unspecified type scar from previous cesarean delivery                | 98. other                      |
| O3429      | Maternal care due to uterine scar from other previous surgery                          | 98. other                      |
| O3430      | Maternal care for cervical incompetence, unspecified trimester                         | 98. other                      |
| O3431      | Maternal care for cervical incompetence, first trimester                               | 98. other                      |
| O3432      | Maternal care for cervical incompetence, second trimester                              | 98. other                      |
| O3433      | Maternal care for cervical incompetence, third trimester                               | 98. other                      |
| O3440      | Maternal care for other abnormalities of cervix, unspecified trimester                 | 98. other                      |
| O3441      | Maternal care for other abnormalities of cervix, first trimester                       | 98. other                      |
| O3442      | Maternal care for other abnormalities of cervix, second trimester                      | 98. other                      |
| O3443      | Maternal care for other abnormalities of cervix, third trimester                       | 98. other                      |
| O34511     | Maternal care for incarceration of gravid uterus, first trimester                      | 98. other                      |
| O34512     | Maternal care for incarceration of gravid uterus, second trimester                     | 98. other                      |
| O34513     | Maternal care for incarceration of gravid uterus, third trimester                      | 98. other                      |
| O34519     | Maternal care for incarceration of gravid uterus, unspecified trimester                | 98. other                      |
| O34521     | Maternal care for prolapse of gravid uterus, first trimester                           | 98. other                      |
| O34522     | Maternal care for prolapse of gravid uterus, second trimester                          | 98. other                      |
| O34523     | Maternal care for prolapse of gravid uterus, third trimester                           | 98. other                      |
| O34529     | Maternal care for prolapse of gravid uterus, unspecified trimester                     | 98. other                      |
| O34531     | Maternal care for retroversion of gravid uterus, first trimester                       | 98. other                      |
| O34532     | Maternal care for retroversion of gravid uterus, second trimester                      | 98. other                      |
| O34533     | Maternal care for retroversion of gravid uterus, third trimester                       | 98. other                      |
| O34539     | Maternal care for retroversion of gravid uterus, unspecified trimester                 | 98. other                      |
| O34591     | Maternal care for other abnormalities of gravid uterus, first trimester                | 98. other                      |
| O34592     | Maternal care for other abnormalities of gravid uterus, second trimester               | 98. other                      |
| O34593     | Maternal care for other abnormalities of gravid uterus, third trimester                | 98. other                      |
| O34599     | Maternal care for other abnormalities of gravid uterus, unspecified trimester          | 98. other                      |
| O3460      | Maternal care for abnormality of vagina, unspecified trimester                         | 98. other                      |
| O3461      | Maternal care for abnormality of vagina, first trimester                               | 98. other                      |
| O3462      | Maternal care for abnormality of vagina, second trimester                              | 98. other                      |
| O3463      | Maternal care for abnormality of vagina, third trimester                               | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| O3470      | Maternal care for abnormality of vulva and perineum, unspecified trimester                                | 98. other                      |
| O3471      | Maternal care for abnormality of vulva and perineum, first trimester                                      | 98. other                      |
| O3472      | Maternal care for abnormality of vulva and perineum, second trimester                                     | 98. other                      |
| O3473      | Maternal care for abnormality of vulva and perineum, third trimester                                      | 98. other                      |
| O3480      | Maternal care for other abnormalities of pelvic organs, unspecified trimester                             | 98. other                      |
| O3481      | Maternal care for other abnormalities of pelvic organs, first trimester                                   | 98. other                      |
| O3482      | Maternal care for other abnormalities of pelvic organs, second trimester                                  | 98. other                      |
| O3483      | Maternal care for other abnormalities of pelvic organs, third trimester                                   | 98. other                      |
| O3490      | Maternal care for abnormality of pelvic organ, unspecified, unspecified trimester                         | 98. other                      |
| O3491      | Maternal care for abnormality of pelvic organ, unspecified, first trimester                               | 98. other                      |
| O3492      | Maternal care for abnormality of pelvic organ, unspecified, second trimester                              | 98. other                      |
| O3493      | Maternal care for abnormality of pelvic organ, unspecified, third trimester                               | 98. other                      |
| O350XX0    | Maternal care for (suspected) central nervous system malformation in fetus, not applicable or unspecified | 98. other                      |
| O350XX1    | Maternal care for (suspected) central nervous system malformation in fetus, fetus 1                       | 98. other                      |
| O350XX2    | Maternal care for (suspected) central nervous system malformation in fetus, fetus 2                       | 98. other                      |
| O350XX3    | Maternal care for (suspected) central nervous system malformation in fetus, fetus 3                       | 98. other                      |
| O350XX4    | Maternal care for (suspected) central nervous system malformation in fetus, fetus 4                       | 98. other                      |
| O350XX5    | Maternal care for (suspected) central nervous system malformation in fetus, fetus 5                       | 98. other                      |
| O350XX9    | Maternal care for (suspected) central nervous system malformation in fetus, other fetus                   | 98. other                      |
| O351XX0    | Maternal care for (suspected) chromosomal abnormality in fetus, not applicable or unspecified             | 98. other                      |
| O351XX1    | Maternal care for (suspected) chromosomal abnormality in fetus, fetus 1                                   | 98. other                      |
| O351XX2    | Maternal care for (suspected) chromosomal abnormality in fetus, fetus 2                                   | 98. other                      |
| O351XX3    | Maternal care for (suspected) chromosomal abnormality in fetus, fetus 3                                   | 98. other                      |
| O351XX4    | Maternal care for (suspected) chromosomal abnormality in fetus, fetus 4                                   | 98. other                      |
| O351XX5    | Maternal care for (suspected) chromosomal abnormality in fetus, fetus 5                                   | 98. other                      |
| O351XX9    | Maternal care for (suspected) chromosomal abnormality in fetus, other fetus                               | 98. other                      |
| O352XX0    | Maternal care for (suspected) hereditary disease in fetus, not applicable or unspecified                  | 98. other                      |
| O352XX1    | Maternal care for (suspected) hereditary disease in fetus, fetus 1  | 98. other                      |
| O352XX2    | Maternal care for (suspected) hereditary disease in fetus, fetus 2  | 98. other                      |
| O352XX3    | Maternal care for (suspected) hereditary disease in fetus, fetus 3  | 98. other                      |
| O352XX4    | Maternal care for (suspected) hereditary disease in fetus, fetus 4  | 98. other                      |
| O352XX5    | Maternal care for (suspected) hereditary disease in fetus, fetus 5  | 98. other                      |
| O352XX9    | Maternal care for (suspected) hereditary disease in fetus, other fetus                                    | 98. other                      |
| O353XX0    | Maternal care for (suspected) damage to fetus from viral disease in mother, not applicable or unspecified | 98. other                      |
| O353XX1    | Maternal care for (suspected) damage to fetus from viral disease in mother, fetus 1                       | 98. other                      |

| R402122    | Coma scale, eyes open, to pain, at arrival to emergency department            | 98. other                      |
| R402123    | Coma scale, eyes open, to pain, at hospital admission                         | 98. other                      |
| R402124    | Coma scale, eyes open, to pain, 24 hours or more after hospital admission     | 98. other                      |
| R402130    | Coma scale, eyes open, to sound, unspecified time                             | 98. other                      |
| R402131    | Coma scale, eyes open, to sound, in the field [EMT or ambulance]              | 98. other                      |
| R402132    | Coma scale, eyes open, to sound, at arrival to emergency department           | 98. other                      |
| R402133    | Coma scale, eyes open, to sound, at hospital admission                        | 98. other                      |
| R402134    | Coma scale, eyes open, to sound, 24 hours or more after hospital admission    | 98. other                      |
| R402140    | Coma scale, eyes open, spontaneous, unspecified time                          | 98. other                      |
| R402141    | Coma scale, eyes open, spontaneous, in the field [EMT or ambulance]           | 98. other                      |
| R402142    | Coma scale, eyes open, spontaneous, at arrival to emergency department        | 98. other                      |
| R402143    | Coma scale, eyes open, spontaneous, at hospital admission                     | 98. other                      |
| R402144    | Coma scale, eyes open, spontaneous, 24 hours or more after hospital admission | 98. other                      |
| R402210    | Coma scale, best verbal response, none, unspecified time                      | 98. other                      |
| R402211    | Coma scale, best verbal response, none, in the field [EMT or ambulance]       | 98. other                      |
| R402212    | Coma scale, best verbal response, none, at arrival to emergency department    | 98. other                      |

| ICD10 Code | Label   | Category for CAHPS Hospice CMA |
|------------|---|--------------------------------|
| R402213    | Coma scale, best verbal response, none, at hospital admission                                       | 98. other                      |
| R402214    | Coma scale, best verbal response, none, 24 hours or more after hospital admission                   | 98. other                      |
| R402220    | Coma scale, best verbal response, incomprehensible words, unspecified time                          | 98. other                      |
| R402221    | Coma scale, best verbal response, incomprehensible words, in the field [EMT or ambulance]           | 98. other                      |
| R402222    | Coma scale, best verbal response, incomprehensible words, at arrival to emergency department        | 98. other                      |
| R402223    | Coma scale, best verbal response, incomprehensible words, at hospital admission                     | 98. other                      |
| R402224    | Coma scale, best verbal response, incomprehensible words, 24 hours or more after hospital admission | 98. other                      |
| R402230    | Coma scale, best verbal response, inappropriate words, unspecified time                             | 98. other                      |
| R402231    | Coma scale, best verbal response, inappropriate words, in the field [EMT or ambulance]              | 98. other                      |
| R402232    | Coma scale, best verbal response, inappropriate words, at arrival to emergency department           | 98. other                      |
| R402233    | Coma scale, best verbal response, inappropriate words, at hospital admission                        | 98. other                      |
| R402234    | Coma scale, best verbal response, inappropriate words, 24 hours or more after hospital admission    | 98. other                      |
| R402240    | Coma scale, best verbal response, confused conversation, unspecified time                           | 98. other                      |
| R402241    | Coma scale, best verbal response, confused conversation, in the field [EMT or ambulance]            | 98. other                      |
| R402242    | Coma scale, best verbal response, confused conversation, at arrival to emergency department         | 98. other                      |
| R402243    | Coma scale, best verbal response, confused conversation, at hospital admission                      | 98. other                      |
| R402244    | Coma scale, best verbal response, confused conversation, 24 hours or more after hospital admission  | 98. other                      |
| R402250    | Coma scale, best verbal response, oriented, unspecified time  | 98. other                      |
| R402251    | Coma scale, best verbal response, oriented, in the field [EMT or ambulance]                         | 98. other                      |
| R402252    | Coma scale, best verbal response, oriented, at arrival to emergency department                      | 98. other                      |
| R402253    | Coma scale, best verbal response, oriented, at hospital admission                                   | 98. other                      |
| R402254    | Coma scale, best verbal response, oriented, 24 hours or more after hospital admission               | 98. other                      |
| R402310    | Coma scale, best motor response, none, unspecified time   | 98. other                      |
| R402311    | Coma scale, best motor response, none, in the field [EMT or ambulance]                              | 98. other                      |
| R402312    | Coma scale, best motor response, none, at arrival to emergency department                           | 98. other                      |
| R402313    | Coma scale, best motor response, none, at hospital admission  | 98. other                      |
| R402314    | Coma scale, best motor response, none, 24 hours or more after hospital admission                    | 98. other                      |
| R402320    | Coma scale, best motor response, extension, unspecified time  | 98. other                      |
| R402321    | Coma scale, best motor response, extension, in the field [EMT or ambulance]                         | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
|------------|--|--------------------------------|
| R402322    | Coma scale, best motor response, extension, at arrival to emergency department                 | 98. other                      |
| R402323    | Coma scale, best motor response, extension, at hospital admission                              | 98. other                      |
| R402324    | Coma scale, best motor response, extension, 24 hours or more after hospital admission          | 98. other                      |
| R402330    | Coma scale, best motor response, abnormal, unspecified time                                    | 98. other                      |
| R402331    | Coma scale, best motor response, abnormal, in the field [EMT or ambulance]                     | 98. other                      |
| R402332    | Coma scale, best motor response, abnormal, at arrival to emergency department                  | 98. other                      |
| R402333    | Coma scale, best motor response, abnormal, at hospital admission                               | 98. other                      |
| R402334    | Coma scale, best motor response, abnormal, 24 hours or more after hospital admission           | 98. other                      |
| R402340    | Coma scale, best motor response, flexion withdrawal, unspecified time                          | 98. other                      |
| R402341    | Coma scale, best motor response, flexion withdrawal, in the field [EMT or ambulance]           | 98. other                      |
| R402342    | Coma scale, best motor response, flexion withdrawal, at arrival to emergency department        | 98. other                      |
| R402343    | Coma scale, best motor response, flexion withdrawal, at hospital admission                     | 98. other                      |
| R402344    | Coma scale, best motor response, flexion withdrawal, 24 hours or more after hospital admission | 98. other                      |
| R402350    | Coma scale, best motor response, localizes pain, unspecified time                              | 98. other                      |
| R402351    | Coma scale, best motor response, localizes pain, in the field [EMT or ambulance]               | 98. other                      |
| R402352    | Coma scale, best motor response, localizes pain, at arrival to emergency department            | 98. other                      |
| R402353    | Coma scale, best motor response, localizes pain, at hospital admission                         | 98. other                      |
| R402354    | Coma scale, best motor response, localizes pain, 24 hours or more after hospital admission     | 98. other                      |
| R402360    | Coma scale, best motor response, obeys commands, unspecified time                              | 98. other                      |
| R402361    | Coma scale, best motor response, obeys commands, in the field [EMT or ambulance]               | 98. other                      |
| R402362    | Coma scale, best motor response, obeys commands, at arrival to emergency department            | 98. other                      |
| R402363    | Coma scale, best motor response, obeys commands, at hospital admission                         | 98. other                      |
| R402364    | Coma scale, best motor response, obeys commands, 24 hours or more after hospital admission     | 98. other                      |
| R402410    | Glasgow coma scale score 13-15, unspecified time   | 98. other                      |
| R402411    | Glasgow coma scale score 13-15, in the field [EMT or ambulance]                                | 98. other                      |
| R402412    | Glasgow coma scale score 13-15, at arrival to emergency department                             | 98. other                      |
| R402413    | Glasgow coma scale score 13-15, at hospital admission  | 98. other                      |
| R402414    | Glasgow coma scale score 13-15, 24 hours or more after hospital admission                      | 98. other                      |
| R402420    | Glasgow coma scale score 9-12, unspecified time  | 98. other                      |
| R402421    | Glasgow coma scale score 9-12, in the field [EMT or ambulance]                                 | 98. other                      |
| R402422    | Glasgow coma scale score 9-12, at arrival to emergency department                              | 98. other                      |
| R402423    | Glasgow coma scale score 9-12, at hospital admission   | 98. other                      |
| R402424    | Glasgow coma scale score 9-12, 24 hours or more after hospital admission                       | 98. other                      |

| S42421P    | Displaced comminuted supracondylar fracture without intercondylar fracture of right humerus, subsequent encounter for fracture with malunion           | 98. other                      |
| S42421S    | Displaced comminuted supracondylar fracture without intercondylar fracture of right humerus, sequela   | 98. other                      |
| S42422A    | Displaced comminuted supracondylar fracture without intercondylar fracture of left humerus, initial encounter for closed fracture                      | 98. other                      |
| S42422B    | Displaced comminuted supracondylar fracture without intercondylar fracture of left humerus, initial encounter for open fracture                        | 98. other                      |
| S42422D    | Displaced comminuted supracondylar fracture without intercondylar fracture of left humerus, subsequent encounter for fracture with routine healing     | 98. other                      |
| S42422G    | Displaced comminuted supracondylar fracture without intercondylar fracture of left humerus, subsequent encounter for fracture with delayed healing     | 98. other                      |
| S42422K    | Displaced comminuted supracondylar fracture without intercondylar fracture of left humerus, subsequent encounter for fracture with nonunion            | 98. other                      |

| ICD10 Code | Label  | Category for CAHPS Hospice CMA |
